Helping you move your money

It's easy to manage and move your money with our range of simple services.

Making quick, secure deposits

As you'd expect, you can pay in cash and cheques at any Bank of Scotland branch either over the counter or by using our depositpoint™ service. All deposits over the counter will be processed straight away. All deposits made in a depositpoint™ before the end of the working day will be processed the same working day. Any deposits using our depositpoint™ at weekends will be processed the next working day. All cash will be immediately available when processed and cheques will follow normal clearance timelines. Please remember, weekends and bank holidays are not counted as working days.

Set up your Direct Debits

When it comes to convenience, nothing beats a Direct Debit: a payment straight from your account to a company or service. It's particularly useful for paying regular bills like your utilities, where the amount you pay may change. We'll help you set up your Direct Debits using the information provided by the company or business you want to make payments to. Remember to make sure you have enough funds in your account when your payment is due. If you ever need to cancel or change a Direct Debit, simply let the company you are paying and us know. If you think there has been an incorrect payment, tell us immediately and we'll arrange a full and immediate refund. Just make sure you tell the company or business involved that you've done this.

And your standing orders

Another easy way to pay is by standing order: a fixed, regular payment from your account. Again, we can help set these up for you and if you ever need to change or cancel a standing order, just let us know. You can cancel a standing order, through Internet Banking or by calling the Telephone Banking helpline or alternatively by going into branch. If you're registered for Internet Banking, you can view Direct Debits and amend your standing orders online and through the Mobile Banking app.

We pay standing orders from your account shortly after midnight at the start of the due date, or the next working day if the due date is a non-working day.

If you don't have enough funds in your account at this point to make a payment, we will try to make a payment again after 2.30pm the same day.

This gives you the chance to put extra funds into your account so that we can make the payment. The money needs to be available to use straight away, so you could transfer money from another personal account you have with us via Internet, Mobile or Telephone Banking or pay in cash over the counter in branch.

If you do not have enough funds at the beginning of a day to make a payment:

- ▶ You have until 2.30pm to pay money into your account to make the payment that day.
- ▶ If a payment takes you into your arranged overdraft, you have until midnight to pay money into your account to avoid a daily arranged overdraft fee for that day.

If there are still not enough available funds, to pay a standing order after 2.30pm on the day the payment is due we will make a final try on the next working day before rejecting the payment. Details of our fees and charges can be found in the Banking Charges section of the Bank Account Conditions.

Preferential rates when you use your card abroad

We won't charge the usual foreign currency purchase fee of £0.50 when you use your Premier debit card to make purchases in a foreign currency. Fees apply to using your debit card abroad. Please see the Banking Charges section of the Bank Account Conditions for more details.

Your Visa debit card is a simple alternative to carrying large amounts of cash. It's just as safe to use abroad as it is at home as we actively monitor your account when you're out of the country. If we see anything suspicious, we may call your mobile to let you know, so make sure we have a number to reach you on.

Travel money

To go alongside your debit card, you might like to take foreign currency or American Express® Travellers Cheques with you when you go abroad. So we've made sorting it out as easy as possible.

Before you go away

Order your foreign currency or American Express® Travellers Cheques by 3pm Monday to Friday (excluding Bank Holidays) and we'll deliver them free of charge to either a branch of your choice for you to collect after 1pm the next working day or to your home address by 1pm the next working day.

For further details on our travel money service order limits and delivery timescales, please visit [bankofscotland.co.uk/travel](https://www.bankofscotland.co.uk/travel)

Different delivery timescales may apply to Scotland and Northern Ireland. We may not be able to guarantee next working day delivery to certain remote areas within the United Kingdom, or to branches which are not open standard hours every weekday. Please check when placing your order.

When you get back

Our branches will also buy back any foreign notes or American Express® Travellers Cheques you have leftover.

The price at which we buy back your currency may differ from the price at which we sold it to you. There are minimum denominations we can accept in certain currencies. Details of these are available on request. We may not be able to re-purchase currency if a country becomes embargoed or we no longer deal with that currency.

£500 fee-free arranged overdraft

Preferential overdraft terms for Premier Account holders

As a Premier Account holder you can benefit from a £500 fee-free arranged overdraft, subject to application and approval. This means you can borrow up to £500 without paying any daily arranged overdraft fees. If you already have an arranged overdraft in excess of this, the first £500 will automatically be fee-free.

We may also be able to extend your existing arranged overdraft limit. All overdrafts are subject to application, approval and are repayable on demand.

Calculating your overdraft fees

Your daily arranged overdraft fees are calculated depending on how much you borrow and could include up to three amounts added together. If you have a fee-free amount with your arranged overdraft you'll only pay a daily fee if you borrow more than that amount.

Here's how it all works

If you borrow £1,250 or less, you'll only pay one fee of 1p for every full £6. If you borrow more, the fee you'll pay will be a combination of the fees shown above.

Examples of how Premier Account daily overdraft fees are calculated

If you borrow £500	First £500				=	Total daily fee £0.00
	Fee-Free					
If you borrow £1,600	First £500	£750 at 1p for every full £6	Plus, £350 at 1p for every full £7		=	Total daily fee £1.75
	Fee-Free	£1.25	£0.50	+		
If you borrow £3,200	First £500	£750 at 1p for every full £6	Plus, £1,250 at 1p for every full £7	Plus, £700 at 1p for every full £8	=	Total daily fee £3.90
	Fee-Free	£1.25	£1.78	+		

Representative Example

If you use an arranged overdraft of £1,200 on your Premier Account, then we'll charge you a daily arranged overdraft fee of £1.16. For Premier Accounts, the daily arranged overdraft fee on the first £500 is 0p.

Daily charging

Instead of paying all fees in one go each month, a daily arranged overdraft fee will be charged at the end of each day you use your arranged overdraft including weekends and bank holidays – so you'll pay for what you borrow on the day you borrow it.

This will help you keep track of how much using your daily arranged overdraft costs you.

If you go over your limit

So all your payments are made, it's important you manage your account within your arranged overdraft limit. If you don't have enough money in your account or you reach your limit, you may not be able to make any more payments. If a payment takes you over your limit or we refuse it, you won't be charged.

Grace Period

Our Grace Period gives you until 2.30pm every day to pay in enough money and ensure the payment goes out, but you have until midnight to avoid a daily arranged overdraft fee for that day. The money needs to be immediately available to use, so you could transfer money from another personal account you have with us via Internet Banking, Mobile Banking or Telephone Banking or pay in cash over the counter in branch.

Mobile Alerts

It's important to monitor your account regularly to make sure you have enough funds to make any payments due. Our mobile alerts service offers a simple way to stay on top of your finances without even having to think about it.

So if we have a mobile number for you, we'll let you know when:

- ▶ **You've started using your arranged overdraft and are being charged.** You will only receive this message once when you are first charged for using your arranged overdraft. You have until midnight to pay in enough to avoid future daily arranged overdraft fees. The money needs to be immediately available to use, so you could transfer money from another personal account you have with us via Mobile, Internet or Telephone Banking or pay in cash over the counter in branch.

- ▶ **You're nearing your limit.** We'll send a message when your balance falls below £50. If you have an arranged overdraft, we'll also send an alert when you're within £50 of your arranged limit.
- ▶ **You don't have enough to pay a standing order.** If you're able to move your money from other accounts, you will have until 2.30pm to pay in cleared funds in order to make any payments.
- ▶ **You've reached your limit.** You will only receive this message once when you first reach your limit and have zero available funds.

You can receive alerts abroad, but please check with your service provider for any charges you may incur.

You can check if we have a valid number for you – or set one up – through Internet Banking, in a branch, or by calling us on **0345 721 3141**. If you don't want to receive alerts you can text STOP to 65558 to opt-out. If you opt-out you may miss important messages about your account so make sure you keep track of your balance and regularly check your statements through Mobile Banking, Internet Banking or Telephone Banking.

Mobile alerts are sent throughout the day, 7 days a week including Bank Holidays. This is a free service for all eligible current account customers. We won't charge you for this service, but if you receive texts while abroad, your network service provider may charge you.

AA Home Emergency Cover

We'll stop an emergency becoming a disaster.

Emergencies around the house can be time-consuming and difficult to deal with, especially if you don't have a reputable tradesperson to call on.

Service you can trust makes all the difference. That's why AA Home Emergency Cover (underwritten by Acromas Insurance Company Limited) protects you against the costs and inconvenience of unexpected domestic emergencies. This includes emergency cover for the big things like damage to your roof and your primary heating system, as well as smaller (but no less important) things like broken windows. You'll find your full terms and conditions of your cover in the small print booklet of this pack. For now though, here's a quick look at what is, and isn't, covered.

What's an emergency?

As it applies to your Home Emergency Cover, an emergency is defined as a sudden or unforeseen situation which, if not dealt with immediately, would in our opinion cause one of the following: render your home unsafe, uninhabitable or insecure or cause further damage to your home. What does that mean? It means if it's an on-going problem, it's not an emergency. And if you're left with alternative options available, then it isn't an emergency either.

What's covered

Things that are typically covered (classed as an emergency)

- ▶ A blocked or overflowing drain.
- ▶ All your electrics tripping in your home so you're continually resetting the fuse board to maintain the electrical supply.
- ▶ Cracked or smashed window(s) making your home insecure.
- ▶ A sudden and uncontrollable leak from a water pipe.

The service is available to **You** and operates 24 hours a day, 365 days a year for advice, assistance, making arrangements for hospital admission, repatriation and authorisation of medical expenses. If this is not possible because the condition requires immediate emergency treatment **You** must contact AXA Assistance as soon as possible.

The **AA** does not guarantee that any recovery to a relevant local repairer will be within the opening hours of the repairer, or that the repairer will be immediately available to undertake any required repair. A) Replacement vehicle

What is covered:

This benefit consists of arranging and paying for a replacement mid-range saloon or hatchback type car with engine capacity of up to 1,600cc, plus insurance, for up to 72 consecutive hours from an **AA** chosen supplier. Where possible, and unless the receipt of the hire vehicle is delayed at **Your** request and with the **AA's** agreement, the **AA** will arrange for any replacement vehicle to be provided by the supplier around the time and

point of the relevant **Breakdown**. If the hire vehicle is not taken at that time, **You** are responsible for arranging delivery direct with the relevant supplier. The **AA** may be prepared to assist in the making of these arrangements. A collection and delivery service (or equivalent) is available from the chosen suppliers, subject to availability, to the supplier's terms and conditions and to **Your** payment of the supplier's fuel charges connected with collection and/or delivery. A minimum of two hours' notice is required by the suppliers to arrange the delivery of a vehicle. The collection and delivery service will only be available to mainland UK destinations and to a maximum delivery distance of thirty miles. **You** are responsible for making arrangements for the return of the hire vehicle to the supplier.

What is not covered:

- ▶ Other charges arising from **Your** use of the hire vehicle, such as (without limitation) fuel costs (including those resulting from collection and/or delivery of the hire vehicle), any insurance excess charges, and charges arising if **You** keep the vehicle for more than 72 hours;
- ▶ Replacement vehicles cannot be supplied with a tow bar, and therefore, **Your** caravan or trailer will have to, if eligible, be recovered under Relay with **Your Vehicle**.
- ▶ We cannot guarantee a like for like replacement for **Your Vehicle**. This includes being unable to provide a replacement hybrid or electric vehicle.

Please note: Replacement cars are supplied to **You** by the **AA's** chosen suppliers. The vehicle hire agreement will be between **You** and the relevant supplier and will be subject to that supplier's Terms and Conditions. These will usually require or include (amongst other things):

- ▶ Production of a full driving licence valid at the time of issue of the hire vehicle;
- ▶ Limits on acceptable endorsements;
- ▶ Limitations on the availability and/or engine capacity of the replacement vehicle;

- ▶ A deposit, for example, for fuel; (please note that a Credit or Debit card will be required for the deposit)
- ▶ Drivers to be aged at least 18 years and to have held a full driving licence for at least 12 months.
- ▶ Under this policy drivers aged at 18–21 years are restricted to a hatchback type vehicle up to 1,200cc.
- ▶ If the **AA's** chosen supplier refuses hire for any reason, **You** have a pay and claim option which must be authorised by the Stay Mobile team, along with the price prior to being arranged by the **Customer**. Claims should be made in writing and sent together with proof of purchases and receipts to: The **AA**, Stay Mobile Claims, Agency Accounts, Fanum House, Basingstoke, Hampshire RG21 4EA.

For Channel Island residents we will cover **Your** costs for whichever Jersey or Guernsey is not **Your** Resident Island. Costs must be agreed at the time of **Breakdown** by the Stay Mobile team.

C) Overnight accommodation

The **AA** will arrange and pay directly for one night's bed and breakfast on the day of the **Breakdown** at a hotel of its choice for the driver and up to a maximum of seven passengers (see General Terms and Conditions clause 1g). Please note that any additional costs incurred during overnight accommodation such as other meals, drinks, telephone calls and newspapers are not included. **You** must settle these direct with the hotel before leaving.

General Terms and Conditions – AA Breakdown Cover

General exclusions

1. **AA Breakdown** Cover does not provide for:

a) Any vehicle servicing or re-assembly

For example, where this is required as a result of neglect or unsuccessful work on the vehicle (including, but not limited to, DIY vehicle maintenance), other than that on the part of the **AA** or its agents;

b) Garage labour costs

The cost of garage or other labour required to repair **Your Vehicle**, other than that provided by the **AA** or its agents at the scene of the **Breakdown** or accident;

c) Fuel draining

In the event of the introduction of an inappropriate substance which results in the need to drain or remove fuel, lubricants or other fluids, the only recovery the **AA** will make available to **You** will be to arrange for **Your Vehicle**, the driver and up to seven passengers to be taken to the **AA's** choice of relevant local repairer or another location of **Your** choice, provided it is no further, but **You** will have to pay for any work required;

d) Failure to carry a serviceable spare

Any additional charges resulting from **Your** failure to carry a legal and serviceable spare wheel or tyre, except where this is not provided as manufacturers' standard equipment. The **AA** will endeavour to arrange on **Your** behalf, but will not pay for, assistance from a third party;

e) Vehicle storage

Having **Your Vehicle** stored or guarded in **Your** absence;

f) Vehicles on private property

The provision of service when **Your Vehicle** is on private property, for example, garage premises, unless **You** can establish that **You** have the permission of the owner or occupier;

g) Excess passenger loads

The provision of service to or for any persons in excess of the number of seats fitted in the vehicle at the time of **Breakdown**, or to anyone who was not travelling in the relevant vehicle at the time of the **Breakdown**. If there are more people than the maximum allowed, the **AA** will seek to arrange, but will not pay for, their onward transportation;

h) Ferry, toll charges etc

Any ferry, toll or congestion charges incurred in connection with **Your Vehicle** as a result of it being recovered;

i) Recovering vehicles from trade or auction

The recovery of any vehicle bearing trade plates or which the **AA** has reason to believe have just been imported or purchased at auction;

j) Transporting from trade premises

The transportation of immobilised vehicles where the **AA** considers this to be part of a commercial activity, for example, to, from or for motor dealers or delivery companies;

k) Locksmiths, tyre, glass or bodywork specialists costs

The cost (including any call-out charge) of any locksmith, glass or tyre specialist, should the **AA** consider this to be required. The **AA** will endeavour to arrange this help on **Your** behalf, however it will not pay for these specialist services and any contract for services provided will be between **You** and the relevant specialist. If, in the **AA's** professional opinion, **Your Vehicle** requires recovery to such a specialist to be mobilised

and, to effect that recovery, specialist lifting equipment not normally carried by **AA** Patrols is required, the **AA** will arrange the recovery but at **Your** cost. If use of a locksmith or other specialist would, in the **AA's** opinion, mobilise the vehicle, no further service will be available for the **Breakdown** in question;

l) Specialist lifting equipment

The cost of any specialist lifting equipment (not normally carried by **AA** Patrols) including but not limited to: a) occasions where the Customer has driven off-road, or on clearly sign posted closed roads; and b) any occasions following an accident;

m) Transporting animals

The transportation or arrangement of the transportation of any animal (guide dogs or hearing dogs will be transported together with their owner, unless this is not possible for health and/or safety reasons). The **AA** will not recover horses or livestock. If the **AA** does, at its absolute discretion, agree to transport an animal, then this will be at **Your** own risk. It is **Your** responsibility to secure any animal being transported or to make alternative arrangements for its transportation;

n) Participation in sporting events

Assistance for vehicles broken down as a result of taking part in any 'Motor Sport Event', including, without limitation, racing, rallying, trials or time-trials or auto test. However, for the avoidance of doubt, the **AA** does not consider "Concours d'elegance" events, track test days for road-legal vehicles or rallies held exclusively on open public highways where participants are required to comply with the normal rules of the road, to be Motor Sports Events.

- 2. AA Breakdown Cover** does not provide for any vehicle recovery following an accident. The **AA** may, if **You** request, be prepared to provide recovery following an accident but, if so, **You** will be responsible for paying the **AA's** charges for this assistance (including, but not limited to, any charges relating to any specialist equipment used). If following an accident, **You** require one of the Stay Mobile services (and **You** have Stay Mobile), the **AA** may, again, be prepared to arrange this for **You** but will not be responsible for any costs involved. **You** must pay, on request, any applicable charges. **You** must give the **AA**, on request, any relevant information it reasonably requests in regard to all matters referred to in this clause. Please note that, following an accident, or otherwise, it is and remains **Your** responsibility to ensure that **You** properly comply with any requirements of **Your** motor insurer in making a claim under **Your** motor insurance policy.

General rights to refuse service

Please note: If a **Customer** is refused service by the **AA** the **Customer** has the right to an explanation in writing (see 'Compliments and complaints' for Customer Care contact details).

- 3.** The **AA** reserves the right to refuse to provide or arrange **Breakdown** assistance under the following circumstances:
- a) Repeat breakdowns within 28 days**
Where service is requested to deal with the same or similar cause of **Breakdown** to that which the **AA** attended within the preceding 28 days. It is **Your** responsibility to make sure that emergency repairs carried out by the **AA** are, where appropriate, followed as soon as possible by a permanent repair. Nothing in this provision shall affect any rights **You** may have in relation to any negligence or breach of contract or breach of any other legal duty on the part of the **AA** or its agents;

b) **Unattended vehicles**

You are not with **Your Vehicle** at the time of the **Breakdown** and **You** are unable to be present at the time assistance arrives;

c) **Unsafe, unroadworthy, unlawful vehicles**

Where in the **AA's** opinion, **Your Vehicle** was, immediately before the relevant **Breakdown** or accident, dangerous, overladen, unroadworthy or otherwise unlawful to use on a public road. This includes where **Breakdown** has been caused by the illegal use of or introduction of unlawful substances, such as agricultural (Red) Diesel. Without restricting the generality of the **AA's** rights under this provision, please note that it is a legal requirement that UK registered vehicles used on, or recovered with their wheels in contact with, the public highway have/display a valid current excise licence ('tax disc'). Where no current excise licence (tax disc) is displayed, and unless the **AA** are satisfied that the vehicle concerned is exempt from such display, the **AA** reserves the right to refuse service;

d) **Assisting where unsafe or unlawful activities**

In the **AA's** opinion, and other than solely as a result of a failure on the part of the **AA**, the giving of service would involve any breach of the law (including, without in any way restricting the type of breach being referred to under this sub-clause, a breach of the **AA's** health and safety duties);

e) **Delay in reporting**

In the **AA's** reasonable opinion, there has been an unreasonable delay in reporting the **Breakdown**;

f) **Cannot verify cover**

Where **You** cannot produce a valid Bank of Scotland debit card (or appropriate receipt) and some other form of identification. If these cannot be produced, and the **AA** is unable to verify that the appropriate **Breakdown**

Cover entitlement is held, the **AA** reserves the right to refuse service. However if **You** are unable to prove entitlement to service or **You** are aware that **You** do not hold entitlement to an **AA** service, the **AA** may, at its discretion, offer service on the immediate payment (by credit, debit or switch card) of the usual premium for the relevant cover required, plus a supplementary premium for joining while already requiring assistance. The premium paid will be fully refunded if it can be established to the **AA's** satisfaction that the relevant level of service entitlement was held at the time of the **Breakdown**. Any services provided under Stay Mobile must be paid for in advance by **You** and will be fully refunded if it can be established to the **AA's** satisfaction that entitlement to Stay Mobile was held at the time of the **Breakdown**. Without prejudice to **Your** statutory rights, no refunds will be given if entitlement to cover cannot be proved, or simply because **Your Vehicle** cannot be fixed at the roadside;

g) **Unreasonable behaviour**

Where the **AA** reasonably considers that **You**:

- i) or anyone accompanying **You**, or who is receiving or is entitled to receive assistance in connection to **Your** cover, is behaving or has behaved in a threatening or abusive manner to **AA** employees, Patrols or agents, or to any third party contractor; or
- ii) have falsely represented that **You** are entitled to services that **You** are not entitled to; or
- iii) have assisted another person in accessing **AA** services to which they are not entitled; or
- iv) owe the **AA** money with respect to any services, spare parts or other matters provided by the **AA** or by a third party on the **AA's** instruction.

Additional services

4. Any additional services made available by the **AA** which are not described in these Terms and Conditions are provided on a purely discretionary basis and may be withdrawn at any time.

Use of agents

5. Service from dedicated **AA** Patrols is subject to availability and may be supplemented by use of appropriate agents. The **AA** will only accept responsibility for the actions of an agent where the agent is acting on the **AA's** instruction.

Requests for assistance

6. All requests for assistance must be made to the **AA** using the contact instructions provided by Bank of Scotland from time to time. If **You** contact a garage direct, **You** will have to settle its bill and the **AA** will be under no obligation to reimburse **You**.

Emergency nature of breakdown service

7. **AA** Patrols are trained and equipped to carry out emergency roadside repairs and are not in a position to comment on the general safety or roadworthiness of a vehicle after a **Breakdown** or an emergency repair. In addition, completion of an emergency repair cannot be taken to signify or in any way guarantee the general roadworthiness of the vehicle concerned.

Cancellation of Cover

8. The **Customer** has the right to cancel their **AA Breakdown** Cover but please note that as this cover has been provided as an integral part of their Bank of Scotland Account no refund is available. Cancellation/closure of **Your** Bank of Scotland Account will mean that **Your** rights to service from the **AA** will cease immediately.

The **AA** shall have the right to cancel any cover if:

9. a) the **AA** has been entitled to refuse service under clause 3g;

- b) the **AA** considers, and as a result of the Customer's conduct, that there has been a breakdown in its relationship with the Customer.
- c) excessive use of the service has occurred either through failure to seek permanent repair following any temporary repair effected by an **AA** Patrol or agent or due to lack of routine vehicle maintenance.
10. In the event that the **AA** is no longer Bank of Scotland's chosen **Breakdown** assistance cover provider or **Breakdown** assistance cover is no longer provided with **Your** Bank of Scotland Account, **Your Breakdown** Cover with Automobile Association Developments Limited (and, where applicable, Acromas Insurance Company Limited) will expire in accordance with the Terms and Conditions of **Your** Bank of Scotland Account and we shall have no further obligation to provide **You** with **Breakdown** assistance services.

Changes to Terms and Conditions

11. Bank of Scotland and/or the **AA** is entitled to change any of Terms and Conditions of cover during the subscription year, on the giving of reasonable notice, where it reasonably considers this necessary in order to comply with any applicable laws, regulations or the advice or instruction of any regulatory authority.

Matters outside the AA's reasonable control

12. While the **AA** seeks to meet the service needs of Customers at all times, its resources are finite and this may not always be possible. The **AA** shall not be liable for service failures where the **AA** is faced with circumstances outside its reasonable control. Events which might constitute circumstances outside the **AA's** reasonable control include (but are not limited to) Acts of God, outbreak of hostilities, riot, civil disturbance, acts of terrorism, acts of government or authority (including the refusal or revocation of any licence or consent),

fire, subsidence, explosion, flood, snow, fog or other bad weather conditions, vehicle, equipment or systems failures, roads that are not reasonably accessible by the **AA**, shortages of fuel or other necessary supplies, failure of telecommunications lines or systems, default of suppliers or subcontractors, theft, malicious damage, strike, lock out or industrial action of any kind.

Exclusion of liability for loss of profit etc

13. The **AA** shall not, in any event, and to the extent permitted by law, have any responsibility for
- any increased costs or expenses; or,
 - any loss of:
 - profit; or
 - business; or
 - contracts; or
 - revenue; or
 - anticipated savings; or
 - for any special or indirect losses incurred as a result of or in connection with any service, whether resulting from tort (including negligence or breach of statutory duty), from breach of contract or otherwise. For the avoidance of doubt, nothing in this clause or these Terms and Conditions shall exclude or restrict the **AA's** liability for negligence resulting in death or personal injury.

Enforcement of Terms and Conditions

14. Failure to enforce or non-reliance on any of these Terms and Conditions by the **AA** will not prevent the **AA** from subsequently relying on or enforcing them.
15. None of the Terms and Conditions, or benefits, of **AA Breakdown** Cover are enforceable by anyone else other than the **Customer**. For the avoidance of doubt, and without limiting the above, any rights under The Contract (Rights of Third Parties) Act 1999, or any replacement or amendment of such act, are excluded.

16. **You** will not become members of the **AA** by virtue of only being entitled to any benefits. The **AA** and the bank may from time to time agree that specified customers may be entitled to certain offers available to **AA** Members.

Use of headings

17. The headings used in this Policy are for convenience only and shall not affect the interpretation of its contents.

Interpretation: use of English law and language

18. **Your AA Breakdown** Cover and these Terms and Conditions are governed and should be interpreted by the laws of England and Wales. The EEA State for the purpose of cover is the United Kingdom. The Terms and Conditions of cover are written in English and all correspondence entered into shall be in English.

Demands and needs statement

This Mobile Phone Insurance Policy has been provided to meet the demands and needs of mobile phone users covering your or your family member's phone against theft, loss, damage, breakdown (including faults) and unauthorised network charges wherever you or your family members are in the world. To benefit from cover, the mobile phone must be owned by you, and be the responsibility of you, your partner or a dependent child. A dependent child is one who is under the age of 18 or under 24 and in full-time education.

This mobile phone insurance cover is suitable for when you have a mobile phone that is not already covered under an insurance policy and you want to cover the cost of repairing or replacing your mobile phone against loss, theft, damage and breakdown subject to an excess payment for each accepted claim detailed in the section 'What you are NOT covered for'. You should consider this excess when deciding if this policy is suitable for you.

Important information

You should be aware that you must take reasonable care to answer all questions honestly and to the best of your knowledge when applying for or making a claim under this policy. **You** have made a reasoned decision on the basis of the information provided in the Summary of Cover and can cancel this insurance at any time should you decide that the cover is no longer suitable.

Mobile Phone Insurance Policy

This is your mobile phone insurance policy; in this document you will find everything you need to know. Please read this carefully to make sure this policy is right for you, if you have any questions then visit bankofscotland.co.uk/ib or call us on **0345 603 3399**. - ▶ IMEI number.
- ▶ Telephone number.

Who is this policy designed for?

Your Premier Account includes cover for two mobile phones for sole Premier Account holders and up to three phones for joint account holders. To benefit from cover, the mobile phone must be owned by you, and be the responsibility of you, your partner or a dependent child. A dependent child is one who is under the age of 18 or under 24 and in full-time education.

For many of us, our mobile phone is much more than a device for making calls. It means you can stay in contact wherever you are, it stores valuable memories and so much more.

This mobile phone insurance cover is designed for when you have a mobile phone that is not already covered under an insurance policy and you want to cover the cost of repairing or replacing your mobile phone against loss, theft, damage and breakdown subject to an excess payment for each accepted claim detailed in the section 'What you are NOT covered for.' You should consider this excess when deciding if this policy is suitable for you.

It is important to note that mobile phone insurance is offered on the understanding that you will take care of your mobile phone.

Having insurance does not mean that you can take risks with your mobile phone which you would not take if your mobile phone was not insured as doing so may result in your claim being declined. Further details can be found in the section '**What you are NOT covered for.**'

We do understand that every claim can be quite different and we will make every effort to take this into consideration when we review a claim.

The cover you receive

Risks you are covered for

Your mobile phone and SIM card up to a maximum value of £2,000 (including VAT) per claim are covered against:

- ▶ **Theft**
- ▶ **Damage**
- ▶ **Breakdown (including faults)** occurring anywhere in the world.

Benefits you receive

Replacements

1. Where we replace the mobile phone the replacement may be a remanufactured (not brand new) device.
2. **We** will attempt to replace your phone with one of the same colour but we can't guarantee to do this or replace any limited or special edition mobile phones.
3. Where we send you a replacement or repaired item, this will only be sent to a UK address.

If you are charged by your network for your replacement SIM card we will reimburse you.

If you make a successful claim for loss or theft and discover you have been charged for calls, texts or data as a result of someone else using your phone. These **unauthorised network charges** are covered up to a value of £1,500 (including VAT) if you have an airtime contract and £450 (including VAT) if you have Pay As You Go.

In the event that you are billed by your network provider as a result of your mobile phone being used after it has been lost or stolen, we will pay those charges incurred during the period between:

1. The moment the loss or theft occurred and
2. 24 hours after you discovered it missing.

For example, if your phone was stolen at 8am on Tuesday and you discovered it missing at 11am on Wednesday, you would be covered for charges made between 8am Tuesday and 11am Thursday, up to the following cover limits:

- ▶ £1,500 (including VAT) for contract handsets.
- ▶ £450 (including VAT) for Pay As You Go.

If we are unable to provide a replacement of a similar specification, we will contact you to discuss an alternative settlement. We do not provide insurance cover for any other mobile phone accessories (for example Smartwatches, fitness trackers, portable speakers)

What you are NOT covered for

Summary	Description
Excess	You need to pay a contribution of £100 every time you make a successful claim for loss, theft, damage or breakdown, this is the excess. Your excess is payable for every accepted claim and must be paid before your claim will be settled.
Loss, theft, damage or breakdown as a result of not taking care of your mobile phone	<p>We know how important your mobile phone is to you and we expect that you will take care of your mobile phone. If you don't take care of your mobile phone then we may not pay your claim.</p> <p>Taking care of your mobile phone means:</p> <ul style="list-style-type: none">▶ Not knowingly leaving your mobile phone somewhere it is likely to be lost, stolen or damaged, just think would you leave your wallet or purse there?▶ If you need to leave your mobile phone somewhere then we expect you to lock it away out of sight if at all possible. If you cannot lock it away then you must leave it with someone you trust or concealed out of sight in a safe place.▶ Making reasonable enquiries to find your phone if you think you have lost it. <p>If you knowingly leave your mobile phone where others can see it but you cannot and your mobile phone is then lost or stolen we may not pay your claim.</p> <p>We will always take into account where you are and what you are doing when we assess whether you have taken care of your phone. If we believe you have not taken care of your mobile phone, and have knowingly taken a risk with it, we may decline your claim.</p> <p>If you knowingly leave your mobile phone somewhere you can't see it but others can, we may decline your claim for not taking care of your mobile phone – for example:</p> <ul style="list-style-type: none">▶ in a cafe or pub you leave your mobile phone on the table when you go to the bar to pick up your drink instead of taking it with you▶ leaving your mobile phone on display in your car▶ leaving your mobile phone in the care of someone you don't know well▶ if you are at the gym and you leave your mobile phone on a bench in the changing rooms rather than taking it with you or locking it in a locker▶ intentionally damaging your phone <p>All of these examples increase the risk of it being lost, stolen or damaged and may result in your claim being declined. The examples are to help you understand what's covered, and are not the only reasons a claim could be rejected.</p>
Cosmetic damage	<p>We only cover damage if it stops the normal functioning of your mobile phone. If it is just a scratch or dent, and your mobile phone still works as expected, then we will not repair or replace it.</p> <p>We know scratches and scrapes to your mobile phone aren't nice but we are here to fix your mobile phone when it isn't working, so if it still functions as you would expect then we can't help. For example, a scratched screen would not be covered but a cracked screen would be covered.</p>

What you are NOT covered for (continued)

Summary	Description
More than 2 claims per account holder in any 12 month period	<p>We insure your mobile phone for up to 2 successful claims per account holder in any 12 month period.</p> <p>If you have 2 successful claims in any 12 month period you will not be able to make any further claims for loss, theft, damage & breakdown that happens before the anniversary of when the first claim was originally submitted.</p> <p>For example if you submit a claim on 1st January which is successful and submit another claim on 1st May in the same year which is successful you will not be able to make any further claims against this policy that happen prior to 1st January of the following year.</p>
Contents of your mobile phone	<p>We only cover the mobile phone, we don't cover the contents. This means that any pictures, software, downloads, apps, music or any other content is not covered by this policy so make sure you back it up regularly. This also means that if any of the data or information stored on your phone is used to access any existing accounts or opening new accounts through fraud, we do not cover any financial losses as a result of these acts.</p> <p>There are lots of ways to back up the contents of your mobile phone and we suggest you do this regularly so if you have a claim and you lose your mobile phone's contents as a result, you can download it on to your new mobile phone and be up and running again in no time.</p>
Other losses	<p>Any cost or losses that can't be resolved by the repair or replacement of your mobile phone</p> <p>We don't cover any loss of profit, opportunity, goodwill or similar losses. We just cover the mobile phone, unauthorised network charges and accessories as specified in "The cover you receive" section.</p>
Any device that is not a mobile phone	<p>This policy is only for mobile phones. This means we only cover handheld devices that are designed to make mobile phone calls and work independently from any other device.</p> <p>This policy isn't for tablet computers, Smartwatches or other wearable technology.</p>
Modifications	<p>If your mobile phone has been modified in any way we will only replace the mobile phone, we do not cover the modifications that have been made.</p> <p>Modifications are anything that changes the way your mobile phone looks or operates from the original specifications. This includes things like adding gems, precious metals or making software changes such as unlocking your mobile phone from a network.</p>
Mobile phones passed into the care of a business or individual for the purpose of providing a service	<p>Where your mobile phone is passed to a business or individual for them to provide a service, they are solely responsible for the safety of your mobile phone and are not covered under the terms of this policy. You must therefore be satisfied that your mobile phone is suitably covered for any theft, loss or damage that may occur while in their care. For example:</p> <ul style="list-style-type: none">▶ Delivery service such as a postal or courier service▶ Mobile phone customisation service▶ Mobile phone repair service

What you are NOT covered for (continued)

Summary	Description
Losses incurred as a result of the sale of your mobile phone	<p>We do not cover any loss of your mobile phone or any loss of money expected from any transaction, from the sale or trade of your mobile phone. This is because the mobile phone will have been actively passed to an individual or business and, therefore, no loss or theft has taken place. We therefore recommend you take precautions if you sell your mobile phone, such as;</p> <ul style="list-style-type: none">▶ waiting for payment (including waiting for cheques to clear) before releasing your mobile phone,▶ using a secure payment service,▶ not accepting cash payments from people you don't know (who could be using forged banknotes), and;▶ ensuring your mobile phone is sent using a reliable and suitably insured delivery service
Counterfeit Mobile Phones	<p>We do not cover any mobile phones that are manufactured in a way to resemble mobile phones made by another company in breach of any copyright laws, or devices that are created by using parts from a number of different phones.</p> <p>Where we receive a claim for any mobile phones that fall into this category we will return the mobile phone to you unrepaid and the claim will be declined.</p>
