Helping you move your money

It's easy to manage and move your money with our range of simple services.

Making quick, secure deposits

As you'd expect, you can pay in cash and cheques at the counter of any Bank of Scotland branch or by using one of our Immediate Deposit Machines (IDM) (if available). All deposits at the counter will be processed immediately. All deposits made at an IDM will be processed the same working day if deposited before branch closing time. Any deposits made after that time will be processed the next working day. Please remember weekends and Bank Holidays are not counted as working days.

Set up your Direct Debits

When it comes to convenience, nothing beats a Direct Debit: a payment straight from your account to a company or service. It's particularly useful for paying regular bills like your utilities, where the amount you pay may change. We'll help you set up your Direct Debits using the information provided by the company or business you want to make payments to. Remember to make sure you have enough money or available arranged overdraft in your account when your payment is due. If you ever need to cancel or change a Direct Debit, simply let the company you are paying and us know. If you think there has been an incorrect payment, tell us immediately and we'll arrange a full and immediate refund. Just make sure you tell the company or business involved that you've done this.

And your standing orders

Another easy way to pay is by standing order: a fixed, regular payment from your account. Again, we can help set these up for you and if you ever need to change or cancel a standing order, just let us know. You can cancel a standing order, through Internet Banking or by calling the Telephone Banking helpline or alternatively by going into branch. If you're registered for Internet Banking, you can view Direct Debits and amend your standing orders online and through the Mobile Banking app.

We pay standing orders from your account shortly after midnight at the start of the due date, or the next working day if the due date is a non-working day.

If you don't have enough money or available arranged overdraft in your account at this point to make a payment, we will try to make a payment again after 2.30pm the same day. This gives you the chance to put extra funds into your account so that we can make the payment. The money needs to be available to use straight away, so you could transfer money from another personal account you have with us via Internet, Mobile or Telephone Banking or pay in cash over the counter in branch.

If you do not have enough money or available arranged overdraft at the beginning of a day to make a payment:

- ▶ You have until 2.30pm to pay money into your account to make the payment that day
- ▶ If a payment takes you overdrawn, you have until the end of the day to pay money into your account to avoid incurring daily arranged overdraft interest for that day.

If there is still not enough money or available arranged overdraft to pay a standing order after 2.30pm on the day the payment is due, we will make a final try on the next working day before rejecting the payment.

Using your card abroad

Pack your Bank of Scotland Visa debit card plus some travel money and you'll be all set for holiday spending wherever you go.

You can also use your Visa debit card abroad wherever you see the Visa sign. If you withdraw cash or make a purchase in a foreign currency, or in pounds outside the UK, charges will apply. Please see our Banking Charges guide for more details.

It's convenient...

Use your Visa debit card to pay in hotels, bars, restaurants and shops when you're abroad.

...and secure

Your Visa debit card is a simple alternative to carrying large amounts of cash. It's just as safe to use abroad as it is at home as we actively monitor your account when you're out of the country. If we see anything suspicious, we may call your mobile to let you know, so make sure we have a number to reach you on.

You can find more information on our website about the exchange rates that apply to your transaction to help you compare them with other card issuers' rates.

Travel money

To go alongside your debit card, you might like to take foreign currency with you when you go abroad. So we've made sorting it out as easy as possible.

Before you go away

Order your foreign currency by 3pm Monday to Friday (excluding Bank Holidays) and we'll deliver them free of charge to either a branch of your choice for you to collect after 1pm the next working day, or to your home address by 1pm the next working day. For further details on our travel money service and order limits please visit [bankofscotland.co.uk/travel](https://www.bankofscotland.co.uk/travel)

Different delivery timescales may apply to Scotland and Northern Ireland. We may not be able to guarantee next working day delivery to certain remote areas within the United Kingdom, or to branches which are not open standard hours every weekday. Order limits also apply. Please check when placing your order.

When you get back

Our branches will also buy back any foreign notes you have left over.

The price at which we buy back your currency may differ from the price at which we sold it to you. There are minimum denominations we can accept in certain currencies. Details of these are available on request. We may not be able to re-purchase currency if a country becomes embargoed or we no longer deal with that currency.

We may cease buying back certain foreign currency bank notes and travellers cheques at any time and without notice.

- ▶ We'll only make Save the Change transfers when your current account is in credit.

Overdrafts

Arranged overdraft

An arranged overdraft is a form of borrowing that can act as a short term safety net. You can use it to borrow money up to an agreed limit through your bank account. You can apply for an arranged overdraft by contacting us, using Internet Banking or via the Mobile app. We will review your application. Not everyone will be accepted. The decision to offer an arranged overdraft and the rate you're offered will depend on your personal situation. We can ask you to pay back the full amount of your arranged overdraft at any time.

We have a range of tools available to help you understand if your product offers an arranged overdraft facility, if you're eligible and how much this kind of borrowing would cost you. Please visit: www.bankofscotland.co.uk/overdrafts

Unarranged overdraft

If you don't have enough money in your account or enough available arranged overdraft to make a payment, we may either let you borrow through an unarranged overdraft or refuse to make the payment. We will not charge you for this. Missing payments and using an unarranged overdraft can damage your credit score. If you should find yourself in this situation, please get in touch with us, as we may be able to help you.

Grace Period

Our Grace Period gives you until 2.30pm every day to pay in enough money to ensure the payment goes out, but you have until the end of the day to avoid incurring daily arranged overdraft interest for that day. The money needs to be immediately available to use, so you could transfer money from another personal account you have with us via Internet Banking, Mobile Banking or Telephone Banking or pay in cash over the counter in branch.

Text Message Alerts

If we have a mobile number for you, we will send the following text messages to help you keep an eye on your account balance and give you the chance to minimise charges.

Arranged overdraft alerts

- ▶ When you're about to use or you've started using your arranged overdraft.
- ▶ When we've started to charge you for using an arranged overdraft.

To stop these alerts, text **STOPA** to **64447** or to opt back in, text **STARTA** to the same number.

Unarranged overdraft alerts

- ▶ When you need to pay money into the account to cover a standing order.
- ▶ When we refuse a payment.
- ▶ When you're about to use or have started using an unarranged overdraft.

To stop these alerts, text **STOPU** to **64447** or to opt back in, text **STARTU** to the same number.

You can stop all overdraft alerts by texting **STOP** to **64447** or to opt back in, text **START** to the same number. Your preferences to opt in or out of alerts will be applied to all your accounts. Stopping alerts may mean you miss important messages and incur avoidable costs. There are other alerts we use to keep your money safe which you cannot stop.

You can check if we have a valid mobile number for you, or set one up through Internet Banking, in branch, or by calling us.

To find out more about alerts, please visit www.bankofscotland.co.uk/alerts You may still receive alerts when you are abroad. Please check with your mobile provider for any charges they may make.

Overdrafts are subject to application and repayable on demand. Full details of our overdraft charges can be found by visiting: www.bankofscotland.co.uk/overdrafts

Text message alerts are sent from 8am UK time, 7 days a week including Bank Holidays. This is a free service for all eligible current account customers. We won't charge you for this service, but if you receive texts while abroad or to a non-UK mobile number, your network service provider may charge you.

Mobile Phone Insurance

Why you won't be lost if you lose your phone.

Good news. Your Gold Account comes with mobile phone insurance and your phone is covered wherever you are in the world.

Your insurance, administered by Lifestyle Services Group Limited (LSG) and underwritten by Assurant General Insurance Limited, covers one phone for sole Gold Account holders, while joint account holders can insure up to two phones.

Following a successful claim LSG will repair or replace your handset up to a maximum value of £2,000 (including VAT) if your phone is lost, stolen, damaged or suffers breakdown (including faults).

LSG will repair the mobile phone (where possible) or replace it with a mobile phone of the same make, model and memory size. If LSG cannot do this you will be given a choice of models with an equivalent specification. Any replacement mobile phone provided may come from new or refurbished stock.

Any replaced or repaired phone will only be sent to a UK address.

You're even protected against unauthorised network charges made on a lost or stolen phone:

- ▶ Up to £450 (including VAT) per claim for prepaid and Pay As You Go phones.
- ▶ Up to £1,500 (including VAT) per claim for contract phones.

There's a £100 excess for each successful claim. No more than 2 successful claims per account holder in any 12 month period.

Authorised network charges are only covered from the point your mobile phone is lost or stolen and for up to 24 hours after you discover the loss or theft. If you don't tell your air time provider within 24 hours you will be responsible for any further charges.

Changing your phone?

Don't forget to register your new phone details.

You'll find all the terms, conditions and limitations of your cover in the policy document that comes with this pack.

Any change to the benefits, terms, cover or exclusion which restricts **Your** cover or benefits will not apply to any **Trip** which commences prior to the effective date of the change. All changes will apply to any **Trips** which commence after the effective date of the change, even where a **Trip** was booked before the effective date of the change.

l) Specialist lifting equipment

The cost of any specialist lifting equipment (not normally carried by **AA Patrols**) including but not limited to;

- i) occasions where the Customer has driven off-road, or on clearly sign posted closed roads; and
- ii) any occasions following an accident;

m) Transporting animals

The transportation or arrangement of the transportation of any animal (guide dogs or hearing dogs will be transported together with their owner, unless this is not possible for health and/or safety reasons). The **AA** will not recover horses or livestock. If the **AA** does, at its absolute discretion, agree to transport an animal, then this will be at **Your** own risk. It is **Your** responsibility to secure any animal being transported or to make alternative arrangements for its transportation;

n) Participation in sporting events

Assistance for vehicles broken down as a result of taking part in any 'Motor Sport Event', including, without limitation, racing, rallying, trials or time-trials or auto test. However, for the avoidance of doubt, the **AA** does not consider "Concours d'elegance" events, track test days for road-legal vehicles or rallies held exclusively on open public highways where participants are required to comply with the normal rules of the road, to be Motor Sports Events.

- 2. AA Breakdown** Cover does not provide for any vehicle recovery following an accident. The **AA** may, if **You** request, be prepared to provide recovery following an accident but, if so, **You** will be responsible for paying the **AA's** charges for this assistance (including, but not limited to, any charges relating to any specialist equipment used). If following an accident, **You** require one of the Stay Mobile services (and **You** have Stay Mobile), the **AA** may, again, be prepared to arrange this for **You** but will not be responsible for any costs involved. **You** must pay, on request, any applicable charges. **You** must give the **AA**, on request, any relevant information it reasonably requests in regard to all matters referred to in this clause. Please note that, following an accident, or otherwise, it is and remains **Your** responsibility to ensure that **You** properly comply with any requirements of **Your** motor insurer in making a claim under **Your** motor insurance policy.

General rights to refuse service

Please note: If a **Customer** is refused service by the **AA** the **Customer** has the right to an explanation in writing (see 'Compliments and complaints' page 68 for **Customer** Care contact details).

- 3. The AA** reserves the right to refuse to provide or arrange **Breakdown** assistance under the following circumstances:
- a) **Repeat breakdowns within 28 days**
Where service is requested to deal with the same or similar cause of **Breakdown** to that which the **AA** attended within the preceding 28 days. It is **Your** responsibility to make sure that emergency repairs carried out by the **AA** are, where appropriate, followed as soon as possible by a permanent repair. Nothing in this provision shall affect any rights **You** may have in relation to any negligence or breach of contract or breach of any other legal duty on the part of the **AA** or its agents;

b) Unattended vehicles

You are not with **Your Vehicle** at the time of the **Breakdown** and **You** are unable to be present at the time assistance arrives;

c) Unsafe, or unroadworthy, unlawful vehicles

Where in the **AA's** opinion, **Your Vehicle** was, immediately before the relevant **Breakdown** or accident, dangerous, overladen, unroadworthy or otherwise unlawful to use on a public road. This includes where **breakdown** has been caused by the illegal use of or introduction of unlawful substances, such as agricultural (Red) Diesel. Without restricting the generality of the **AA's** rights under this provision, please note that it is a legal requirement that UK registered vehicles used on, or recovered with their wheels in contact with, the public highway have/display a valid current excise licence ('tax disc'). Where no current excise licence (tax disc) is displayed, and unless the **AA** are satisfied that the vehicle concerned is exempt from such display, the **AA** reserves the right to refuse service;

d) Assisting where unsafe or unlawful activities

In the **AA's** opinion, and other than solely as a result of a failure on the part of the **AA**, the giving of service would involve any breach of the law (including, without in any way restricting the type of breach being referred to under this sub-clause, a breach of the **AA's** health and safety duties);

e) Delay in reporting

In the **AA's** reasonable opinion, there has been an unreasonable delay in reporting the **Breakdown**;

f) Cannot verify cover

Where **You** cannot produce a valid Bank of Scotland debit card (or appropriate receipt) and some other form of identification. If these cannot be produced, and the **AA** is unable to

verify that the appropriate **Breakdown** Cover entitlement is held, the **AA** reserves the right to refuse service. However if **You** are unable to prove entitlement to service or **You** are aware that **You** do not hold entitlement to an **AA** service, the **AA** may, at its discretion, offer service on the immediate payment (by credit, debit or switch card) of the usual premium for the relevant cover required, plus a supplementary premium for joining while already requiring assistance. The premium paid will be fully refunded if it can be established to the **AA's** satisfaction that the relevant level of service entitlement was held at the time of the **Breakdown**. Any services provided under Stay Mobile must be paid for in advance by **You** and will be fully refunded if it can be established to the **AA's** reasonable satisfaction that entitlement to Stay Mobile was held at the time of the **Breakdown**. Without prejudice to **Your** statutory rights, no refunds will be given if entitlement to cover cannot be proved, or simply because **Your Vehicle** cannot be fixed at the roadside;

g) Unreasonable behaviour

Where the **AA** reasonably considers that **You**:

- i) or anyone accompanying **You**, or who is receiving or is entitled to receive assistance in connection to **Your** cover, is behaving or has behaved in a threatening or abusive manner to **AA** employees, Patrols or agents, or to any third party contractor; or
- ii) have falsely represented that **You** are entitled to services that **You** are not entitled to; or
- iii) have assisted another person in accessing **AA** services to which they are not entitled; or
- iv) owe the **AA** money with respect to any services, spare parts or other matters provided by the **AA** or by a third party on the **AA's** instruction.

Additional services

4. Any additional services made available by the **AA** which are not described in these Terms and Conditions are provided on a purely discretionary basis and may be withdrawn at any time.

Use of agents

5. Service from dedicated **AA** Patrols is subject to availability and may be supplemented by use of appropriate agents. The **AA** will only accept responsibility for the actions of an agent where the agent is acting on the **AA's** instruction.

Requests for assistance

6. All requests for assistance must be made to the **AA** using the contact instructions provided by Bank of Scotland from time to time. If **You** contact a garage direct, **You** will have to settle its bill and the **AA** will be under no obligation to reimburse **You**.

Emergency nature of breakdown service

7. **AA** Patrols are trained and equipped to carry out emergency roadside repairs and are not in a position to comment on the general safety or roadworthiness of a vehicle after a **Breakdown** or an emergency repair. In addition, completion of an emergency repair cannot be taken to signify or in any way guarantee the general roadworthiness of the vehicle concerned.

Cancellation of Cover

8. The **Customer** has the right to cancel their **AA Breakdown** Cover but please note that as this cover has been provided as an integral part of their Bank of Scotland Account no refund is available. Cancellation/closure of **Your** Bank of Scotland Account will mean that **Your** rights to service from the **AA** will cease immediately.

The **AA** shall have the right to cancel any cover if:

9. a) the **AA** has been entitled to refuse service under clause 3g, page 63;
- b) the **AA** considers, and as a result of the **Customer's** conduct, that there has been a breakdown in its relationship with the **Customer**.
- c) excessive use of the service has occurred either through failure to seek permanent repair following any temporary repair effected by an **AA** Patrol or agent or due to lack of routine vehicle maintenance.
10. In the event that the **AA** is no longer Bank of Scotland's chosen **Breakdown** assistance cover provider or **Breakdown** assistance cover is no longer provided with **Your** Bank of Scotland Account, **Your Breakdown** Cover with Automobile Association Developments Limited (and, where applicable, Acromas Insurance Company Limited) will expire in accordance with the Terms and Conditions of **Your** Bank of Scotland Account and we shall have no further obligation to provide **You** with **Breakdown** assistance services.

Changes to Terms and Conditions

11. Bank of Scotland and/or the **AA** is entitled to change any of Terms and Conditions of cover during the subscription year, on the giving of reasonable notice, where it reasonably considers this necessary in order to comply with any applicable laws, regulations or the advice or instruction of any regulatory authority.

Matters outside the AA's reasonable control

12. While the **AA** seeks to meet the service needs of **Customers** at all times, its resources are finite and this may not always be possible. The **AA** shall not be liable for service failures where the **AA** is faced with circumstances outside its reasonable control. Events which might constitute circumstances outside the **AA's** reasonable control include (but are not limited to) Acts of God, outbreak of hostilities, riot, civil disturbance, acts of terrorism, acts of government

or authority (including the refusal or revocation of any licence or consent), fire, subsidence, explosion, flood, snow, fog or other bad weather conditions, vehicle, equipment or systems failures, roads that are not reasonably accessible by the **AA**, shortages of fuel or other necessary supplies, failure of telecommunications lines or systems, default of suppliers or subcontractors, theft, malicious damage, strike, lock out or industrial action of any kind.

Exclusion of liability for loss of profit etc

13. The **AA** shall not, in any event, and to the extent permitted by law, have any responsibility for

- a) any increased costs or expenses; or,
- b) any loss of:
 - i) profit; or
 - ii) business; or
 - iii) contracts; or
 - iv) revenue; or
 - v) anticipated savings; or
- c) for any special or indirect losses incurred as a result of or in connection with any service, whether resulting from tort (including negligence or breach of statutory duty), from breach of contract or otherwise. For the avoidance of doubt, nothing in this clause or these Terms and Conditions shall exclude or restrict the **AA's** liability for negligence resulting in death or personal injury.

Enforcement of Terms and Conditions

14. Failure to enforce or non-reliance on any of these Terms and Conditions by the **AA** will not prevent the **AA** from subsequently relying on or enforcing them.

15. None of the Terms and Conditions, or benefits, of **AA Breakdown** Cover are enforceable by anyone else other than the **Customer**. For the avoidance of doubt, and without limiting the above, any rights under The Contract (Rights of Third Parties) Act 1999, or any replacement or amendment of such act, are excluded.

16. You will not become members of the **AA** by virtue of only being entitled to any benefits. The **AA** and the bank may from time to time agree that specified **customers** may be entitled to certain offers available to **AA** Members.

Use of headings

17. The headings used in this Policy are for convenience only and shall not affect the interpretation of its contents.

Interpretation: use of English law and language

18. **Your AA Breakdown** Cover and these Terms and Conditions are governed and should be interpreted by the laws of England and Wales. The EEA State for the purpose of cover is the United Kingdom. The Terms and Conditions of cover are written in English and all correspondence entered into shall be in English.

A dependent child is one who is under the age of 18 or under 24 and in full-time education.

For many of us, our mobile phone is much more than a device for making calls. It means you can stay in contact wherever you are, it stores valuable memories and so much more.

It is important to note that mobile phone insurance is offered on the understanding that you will take care of your mobile phone.

We do understand that every claim can be quite different and we will make every effort to take this into consideration when we review a claim.

This mobile phone insurance cover is designed for when you have a mobile phone that is not already covered under an insurance policy and you want to cover the cost of repairing or replacing your mobile phone against loss, theft, damage and breakdown subject to an excess payment for each accepted claim detailed in the section 'What you are NOT covered for.' Having insurance does not mean that you can take risks with your mobile phone which you would not take if your mobile phone was not insured as doing so may result in your claim being declined. Further details can be found in the section '**What you are NOT covered for.**'

If you are charged by your network for your replacement SIM card we will reimburse you.

If you make a successful claim for loss or theft and discover you have been charged for calls, texts or data as a result of someone else using your phone. These **unauthorised network charges** are covered up to a value of £1,500 (including VAT) if you have an airtime contract and £450 (including VAT) if you have Pay As You Go.

In the event that you are billed by your network provider as a result of your mobile phone being used after it has been lost or stolen, we will pay those charges incurred during the period between:

1. The moment the loss or theft occurred and
2. 24 hours after you discovered it missing.

For example, if your phone was stolen at 8am on Tuesday and you discovered it missing at 11am on Wednesday, you would be covered for charges made between 8am Tuesday and 11am Thursday, up to the following cover limits:

- ▶ £1,500 (including VAT) for contract handsets.
- ▶ £450 (including VAT) for Pay As You Go.

If your case, screen protector, headphones or Bluetooth headset are lost, stolen or damaged at the same time as your mobile phone you are covered for these up to a value of £250 (including VAT).

If your case, screen protector, headphones or Bluetooth headset are lost, stolen or damaged at the same time as your mobile phone we will replace them with items of a similar specification. If we are unable to provide a replacement of a similar specification, we will contact you to discuss an alternative settlement. We do not provide insurance cover for any other mobile phone accessories (for example Smartwatches, fitness trackers, portable speakers).

What you are NOT covered for

| Summary | Description |

| Excess. | You need to pay a contribution of £100 every time you make a successful claim for loss, theft, damage or breakdown, this is the excess. Your excess is payable for every accepted claim and must be paid before your claim will be settled. |
| Loss, theft, damage or breakdown as a result of not taking care of your mobile phone. | <p>We know how important your mobile phone is to you and we expect that you will take care of your mobile phone. If you don't take care of your mobile phone then we may not pay your claim.</p> <p>Taking care of your mobile phone means:</p> <ul style="list-style-type: none">▶ Not knowingly leaving your mobile phone somewhere it is likely to be lost, stolen or damaged, just think would you leave your wallet or purse there?▶ If you need to leave your mobile phone somewhere then we expect you to lock it away out of sight if at all possible. If you cannot lock it away then you must leave it with someone you trust or concealed out of sight in a safe place.▶ Making reasonable enquiries to find your phone if you think you have lost it. <p>If you knowingly leave your mobile phone where others can see it but you cannot and your mobile phone is then lost or stolen we may not pay your claim.</p> <p>We will always take into account where you are and what you are doing when we assess whether you have taken care of your phone. If we believe you have not taken care of your mobile phone, and have knowingly taken a risk with it, we may decline your claim.</p> <p>If you knowingly leave your mobile phone somewhere you can't see it but others can, we may decline your claim for not taking care of your mobile phone – for example:</p> <ul style="list-style-type: none">▶ in a cafe or pub you leave your mobile phone on the table when you go to the bar to pick up your drink instead of taking it with you▶ leaving your mobile phone on display in your car▶ leaving your mobile phone in the care of someone you don't know well▶ if you are at the gym and you leave your mobile phone on a bench in the changing rooms rather than taking it with you or locking it in a locker▶ intentionally damaging your phone <p>All of these examples increase the risk of it being lost, stolen or damaged and may result in your claim being declined. The examples are to help you understand what's covered, and are not the only reasons a claim could be rejected.</p> |
| Cosmetic damage. | <p>We only cover damage if it stops the normal functioning of your mobile phone. If it is just a scratch or dent, and your mobile phone still works as expected, then we will not repair or replace it.</p> <p>We know scratches and scrapes to your mobile phone aren't nice but we are here to fix your mobile phone when it isn't working, so if it still functions as you would expect then we can't help. For example, a scratched screen would not be covered but a cracked screen would be covered.</p> |

| Contents of your mobile phone. | <p>We only cover the mobile phone, we don't cover the contents. This means that any pictures, software, downloads, apps, music or any other content is not covered by this policy so make sure you back it up regularly. This also means that if any of the data or information stored on your phone is used to access any existing accounts or opening new accounts through fraud, we do not cover any financial losses as a result of these acts.</p> <p>There are lots of ways to back up the contents of your mobile phone and we suggest you do this regularly so if you have a claim and you lose your mobile phone's contents as a result, you can download it on to your new mobile phone and be up and running again in no time.</p> |
| Other losses. | <p>Any cost or losses that can't be resolved by the repair or replacement of your mobile phone</p> <p>We don't cover any loss of profit, opportunity, goodwill or similar losses. We therefore recommend you take precautions if you sell your mobile phone, such as;</p> <ul style="list-style-type: none">▶ waiting for payment (including waiting for cheques to clear) before releasing your mobile phone,▶ using a secure payment service,▶ not accepting cash payments from people you don't know (who could be using forged banknotes), and;▶ ensuring your mobile phone is sent using a reliable and suitably insured delivery service. |
