Your Classic Account and Your Classic Account with Vantage
Terms and Conditions

Classic account and other services
Thank you for opening your account with us, Bank of Scotland plc.
Our agreement with you is made up of general conditions (contained in the Bank of Scotland Bank Account Conditions leaflet) and additional conditions. These include the conditions below and the Banking Charges section, which contains our standard fees. If there is any overlap or conflict between the additional conditions and the Bank Account Conditions, the additional conditions apply.

Classic account
Your Current Account is our standard current account.

Eligibility
To have the account you must be aged 18 or over.

Overdrafts
If you have applied for an arranged overdraft the limit will be as agreed with you today. Full details can be found in your arranged overdraft agreement.
If you try to make a payment from an account without an arranged overdraft limit, which would make your account overdrawn, or which would take your account over any arranged overdraft limit, that payment may not be made.
We won’t charge you for refusing or trying to refuse your requested payment. But we will continue to charge daily interest for your use of an arranged overdraft if any fees or payments take, or have taken, your account above your arranged overdraft limit. In this case, we will only charge interest on the amount of your arranged overdraft balance.
You can use our calculator to work out how much your anticipated arranged overdraft borrowing would cost over different periods of time. You can find the calculator here: bankofscotland.co.uk/overdrafts
Overdrafts are subject to application and approval and repayable on demand.

Classic Account with Vantage
If you have Vantage added to your Classic Account it gives you the benefit of credit interest on your current account if you comply with the Vantage conditions.

You can have a maximum of three accounts with Vantage. The Vantage conditions are that each month you must:
- pay into your account at least £1,000 during the calendar month; and
- keep your account in credit (that is above £0) during the monthly billing period; and
- pay at least two different direct debits from your Vantage account each calendar month.

If you meet the Vantage conditions, you will qualify for credit interest for that monthly billing period, which runs from the second working day of a month to the first working day of the next month. This means we will work out interest on a daily basis at the Vantage interest rate from the second working day of the month and pay it to your account at the end of the first working day of the next month.

If this is different to your current monthly billing period for your current account we will change it straight away.
If you do not meet all the Vantage conditions we will not pay interest on the amount in your account. We also do not pay interest on any amount over the Vantage upper limit.
The interest rates will apply from the day we upgrade your account with Vantage, as long as you do so within normal working hours or from the next working day if you do not.
The rate payable depends upon the account balance. The rate applicable to each part of the account balance is shown in the table below.

<table>
<thead>
<tr>
<th>Part of the balance</th>
<th>Interest paid on each part of the balance</th>

<tbody>
<tr>
<td>Balance</td>

<td>1.50%</td>
</tr>
<tr>
<td>£5,000+</td>
<td>No interest is paid on the amount of your balance over £5,000</td>

Rates correct as at October 2020, but may be subject to change.
AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year.

Gross rate means we will not deduct tax automatically from the interest we pay on money in your account. It's your responsibility to pay any tax you may owe to HM Revenue & Customs (HMRC).

**Cooling off**

If you are not happy with your choice of account or service, you can cancel it within 14 days of opening the account or taking the service. We will then help you to move to another account we offer or will return your money to you with any interest you have earned on it.

**Joint accounts**

All account holders can operate their accounts individually and are individually and jointly liable for all amounts owed to us on those accounts. It is important that you read the Bank of Scotland Bank Account Conditions as these explain how we deal with joint accounts and your responsibilities.
