Banking with us

With your Ultimate Reward Current Account, you get the best of all worlds: benefits designed to make life run more smoothly and reliable day-to-day banking that makes it easy to manage your money.

About your account
The Ultimate Reward Current Account will cost you £17 a month. It will only cost you £15 a month if you pay in £750 or more, have a minimum of two different direct debit mandates paid from your account each calendar month and have not gone overdrawn on your account by the end of any day during the calendar month. You also need to keep your account open/not change it to a different type of current account until the fee is due to be debited from your account which will be by the second working day of the following calendar month.

If you close or change your account, the benefits and your cover will end. You can cancel your cover at any time. To do this, please ask at any branch, or call 0345 721 3141.

The first £300 of any arranged overdraft has no daily fee. For overdrafts over £300 we’ll charge a daily arranged overdraft fee for every day that you use your overdraft. This should help make keeping track of your finances even easier. You need to be aware you may not get the full £300 fee-free arranged overdraft.

For an explanation of overdraft terms please see our overdraft glossary – see opposite.

If you don’t already have an arranged overdraft or would like to increase your existing arranged overdraft limit please call us on 0345 721 3141.

Whether you can have an overdraft and the amount available will depend upon your personal circumstances at the time you apply. Overdrafts are subject to status and repayable on demand.

Overdraft glossary
**Overdraft** – An overdraft is a type of borrowing facility. It lets you borrow money through your current account in the short term to tide you over. Think of it as a back-up pot to dip into until pay day. As long as you’re careful, using your overdraft facility can be a perfectly reasonable way to manage your money.

**Arranged overdraft** – An overdraft you have agreed in advance with us. With an arranged overdraft we agree to an amount you can borrow. This is your overdraft limit.

**Fee-free amount** – An amount of arranged overdraft on which you don’t pay any daily arranged overdraft fee for using it. If your account is overdrawn by less than the buffer amount, you won’t pay any daily arranged overdraft fees for using it.

**Daily arranged overdraft fee** – A fee we charge daily for your use of an arranged overdraft. You will only be charged a daily arranged overdraft fee for the days you use your overdraft.
Here’s how it all works

<table>
<thead>
<tr>
<th>Borrow up to £1,250</th>
<th>Between £1,250 and £2,500</th>
<th>Over £2,500</th>
</tr>
</thead>
<tbody>
<tr>
<td>1p for every full £6</td>
<td>1p every further full £7</td>
<td>1p every further full £8</td>
</tr>
</tbody>
</table>

If you borrow £1,250 or less, you’ll only pay one fee of 1p for every full £6. If you borrow more, the fee you’ll pay will be a combination of the fees shown above.

Calculating your overdraft fees

Your daily arranged overdraft fees are calculated depending on how much you borrow and could include up to three amounts added together. If you have a fee-free amount with your arranged overdraft you’ll only pay a daily fee if you borrow more than that amount.

Daily charging

Instead of paying all fees in one go each month, a daily arranged overdraft fee will be charged at the end of each day you use your arranged overdraft including weekends and bank holidays – so you’ll pay for what you borrow on the day you borrow it.

This will help you keep track of how much using your daily arranged overdraft costs you.

If you go over your limit

So all your payments are made, it’s important you manage your account within your arranged overdraft limit. If you don’t have enough money in your account or you reach your limit, you may not be able to make any more payments. If a payment takes you over your limit or we refuse it, you won’t be charged.

Representative example

If you use an arranged overdraft of £1,200, then we’ll charge you a daily arranged overdraft fee of £1.50. For Ultimate Reward Current Account, the daily arranged overdraft fee on the first £300 is 0p.

If you have an Ultimate Reward Current Account and use your overdraft you will pay the £17 monthly maintaining the account fee. If you stay in credit, pay at least £750 into your account each month and pay out two direct debits, you will receive a discount of £2, reducing your monthly maintaining the account fee to £15.
Mobile alerts
It’s important to monitor your account regularly to make sure you have enough funds to make any payments due. Our mobile alerts service offers a simple way to stay on top of your finances without even having to think about it.

So if we have a mobile number for you, we’ll let you know when:

- You’ve started using your overdraft and are being charged. You will only receive this message once when you are first charged for using your overdraft. You have until midnight to pay in enough to avoid future daily arranged overdraft fees. The money needs to be immediately available to use, so you could transfer money from another personal account you have with us via Mobile, Internet or Telephone Banking or pay in cash over the counter in branch.
- You’re nearing your limit. We’ll send a message when your balance falls below £50. If you have an arranged overdraft, we’ll also send an alert when you’re within £50 of your arranged limit.
- You don’t have enough to pay a standing order. If you’re able to move your money from other accounts, you will have until 2.30pm to pay in cleared funds in order to make any payments.
- You’ve reached your limit. You will only receive this message once when you first reach your limit and have zero available funds.

You can receive alerts abroad, but please check with your service provider for any charges you may incur.

To benefit from mobile alerts you should keep your mobile number up to date. You can check the mobile number we have for you or change it at any time through Internet Banking. If you don’t want to receive alerts you can text STOP to 65558 to opt-out.

If you opt-out you may miss important messages about your account, so make sure you keep track of your balance and regularly check your statements through Mobile Banking, Internet Banking or Phone Banking.

Mobile Alerts are sent throughout the day 7 days a week including Bank Holidays. This is a free service for all eligible current account customers. We won’t charge you for this service, but if you receive texts while abroad, your network service provider may charge you.

Your visa debit card
Today, more places than ever accept payment by Visa debit card. And it’s certainly lighter, safer and more convenient than carrying cash. So your Ultimate Reward Current Account automatically comes with a Bank of Scotland Visa debit card.

- Pay for everything from a night out to designer fashions. Use the card wherever you see the Visa sign, at home and abroad.
- Withdraw up to £500 (or the local equivalent) daily from cash machines displaying the Visa logo around the world, subject to account conditions.
- Book and pay for things over the phone.

- Save time and get cashback from some shops while you pay.
- Shop securely online. For even greater security, you can use Bank of Scotland Secure, which is part of the Verified by Visa scheme.

For further information please visit: bankofscotland.co.uk/secure-shopping

Your card is protected by its own unique personal identification number (PIN) which only you will know. Please keep it safe by shielding it when using cash machines and paying for goods and services in shops.

Using cash machines
If you use your debit card to withdraw cash in a foreign currency, or to withdraw cash in pounds outside the UK, the amount is converted to pounds on the day it is processed by Visa using the Visa Payment Scheme Exchange Rate. We will charge you a foreign currency transaction fee of 2.99% of the amount of the transaction and a foreign currency cash fee of £1.50 for each withdrawal. Where you elect to allow the cash machine operator/financial service provider to make the conversion to pounds for you, we will only charge a foreign cash fee of £1.50 for each withdrawal. The provider of the foreign currency may make a separate charge for conversion. You can also use Bank of Scotland and Halifax cash machines to:

- Pay in cash and cheques
- Top-up your pay-as-you-go mobile phone
- Pay your bills
- Change your PIN.

Top Tip
It’s a good idea to take a range of different ways to pay, including cash and debit and credit cards. To stay safe, make sure you carry everything separately.
Identity Theft Assistance

The Ultimate Reward Current Account is here to help you protect your identity and valuables. With round-the-clock Identity Theft Assistance you’ll be better able to cope if it happens, and get vital early warning signs that could save you time, hassle and expense.

Identity fraud is one of the fastest-growing types of fraud in the UK. And if someone steals your personal details the results can be devastating. Once a thief has your information, it’s possible to open new credit card or bank accounts and run up debts or take out loans in your name, and even change the billing address of your accounts so you don’t discover there’s a problem until it’s too late. And if identity theft happens to you, it can take a great deal of time and money to put things right. So it pays to get the right advice – and protect yourself.

Identity Theft Assistance
As an account holder, you automatically get unlimited access to a confidential identity theft advice line.

So if you suspect that your personal details have been stolen, call our team. They can provide advice right round the clock and help get you back on track as quickly as possible.

How to get help

We’re open 24 hours a day, 7 days a week.
Important things to know

Things you should know about your bank account
If you open a joint account with another person, either of you can withdraw all or part of the balance, write cheques, apply for an overdraft or close the account without the other person’s permission. Both people are responsible for any debts – such as the overdraft – and fees and charges on the account. This means we can choose to claim the money from either person. If you decide that you no longer want the joint account or want to take one person off the account, please ask in branch.

If you have a problem with your insurance benefits, please call us on 0345 124 1401 or write to the Data Processing Manager, PO Box 588, Walton-on-Thames KT12 9EL.

Making a claim
Your account benefits are here to help and protect you whether you’re at home or abroad. So if you need to make a claim, you’ll find all the numbers you need in the following pages.

Your right to cancel
You have 14 days starting from the day after your agreement is concluded to give us written notice that you wish to cancel. Notice should be given in writing to: Bank of Scotland, The Mound, Edinburgh EH1 1YZ.

A home emergency is a sudden, unexpected event which needs immediate action in order to make your home safe or secure, avoid damage or more damage or restore electricity, gas or water services if they have totally failed within the home. So if the safety of your home is at risk and you need help fast, just give us a call. We’ll arrange for a skilled and reliable contractor to carry out the necessary repairs – up to a value of £250 for the call-out charge, labour cost, parts and materials. We’ll also give you £100 towards emergency overnight accommodation if your home becomes uninhabitable.

Our part of the insurance contract is as follows:

We provide the cover set out in Your policy wording.

If Your policy ends for any reason, You will not be entitled to a refund of any fees and/or premium paid for the cover provided under Your policy including any additional fees and/or premiums You have paid to cover a Pre-Existing Medical Condition.

Change to cover, terms or price
This clause explains how We may make changes to Your insurance policy. This clause does not allow Us to amend the terms of Your membership of the Ultimate Reward Current Account (which is governed by separate terms and conditions).

We may change the price, benefits, terms, cover and/or exclusions of Your insurance policy by giving You at least two calendar months’ notice in writing unless such changes are required to be made sooner by law or regulation (in which case We will give You a reasonable and proportionate amount of notice). Changes may be communicated to You by Us or by Your bank account provider acting as Our agent.

We will only exercise Our ability to make changes to Your insurance policy in order to make reasonable and proportionate changes to reflect:

a) any changes in the law, regulation and/or taxation of travel insurance business within the UK

b) any changes that are required to give effect to decisions and/or guidance of a regulator or an ombudsman

c) any changes that are required to give effect to new or revised insurance industry codes of practice that We intend to comply with

d) inflationary increases in general claims costs, medical claims costs and/or administrative costs which affect the cost to Us of providing cover under and administering Your insurance policy

e) changes in foreign currency exchange rates which affect the cost to Us of providing cover under and administering Your insurance policy

f) the correction of any typographical or formatting errors that may occur

g) other increases in the cost and/or number of travel insurance claims which affect the cost to Us of providing cover under and administering Your insurance policy

h) increases in the cost of purchasing reinsurance which affects the cost to Us of providing cover under Your insurance policy.

Any change to the benefits, terms, cover or exclusion which restricts Your cover or benefits will not apply to any Trip which commences prior to the effective date of the change. All changes will apply to any trips which You have already booked which commence after the effective date of the change.
If we extend the cover under your policy to include any pre-existing medical conditions, we may charge an additional premium and a separate endorsement will be sent to you. This will confirm the new terms under which cover is provided and must be produced should you make a claim, so please keep it in a safe place.

We reserve the right not to extend the cover under your policy.

For a relative, colleague, travel companion or a friend or relative with whom you had arranged to stay who is not insured but whose health may affect the trip...

If, at the time you open your ultimate reward current account or book a trip, whichever is later, your relative, colleague, travel companion or a friend or relative with whom you had arranged to stay had a medical condition for which he or she:

- had been given a terminal prognosis, or been told that their condition is likely to get worse in the next 12 months.

We will not pay for any claim you (or any insured person) make, that has anything to do with the medical condition of that relative, colleague, travel companion or a friend or relative with whom you had arranged to stay.

You must prevent loss, theft or damage

All persons covered by your policy must take all reasonable steps to prevent loss, theft or damage to everything covered under your policy.

Reciprocal health agreements
EU, EEA, Iceland, Liechtenstein, Norway and Switzerland
The European Health Insurance Card (EHIC) allows You to access the state provided healthcare in European Economic Area (EEA) countries and Switzerland, Iceland, Norway and Liechtenstein. This is the healthcare provided to residents of the country You are visiting, which may not cover everything You’d expect to get free of charge from the National Health Service (NHS).
Applying for an EHIC is free. You can apply online at www.dh.gov.uk/travellers, by calling 0300 330 1350 or by getting an application form from the Post Office. You will need Your NHS or National Insurance Number. The EHIC does not cover the cost of medical treatment in a private hospital or clinic, the additional cost of returning to Your home country or for a relative to stay or fly out to be with You. In a medical emergency You may have no control over the hospital You are taken to or the closest hospital may be private. The EHIC is valid for up to five years. You must remember to renew it when it expires.

Australia
If You are travelling to Australia You can enrol in Medicare which will entitle You to subsidised hospital treatments and medicines. You can do this by contacting a local Medicare office in Australia. All claims for refunds under the Medicare scheme must be made before You leave Australia. For more information on Medicare visit: www.medicareaustralia.gov.au or email: medicare@medicareaustralia.gov.au. If You use these arrangements or any other similar health arrangement with another country to reduce Your medical expenses, You won’t have to pay an Excess.

*Where you and your family make a claim under more than one section of cover for the same incident, the maximum excess you will pay is £50 in total.*
Section 1: Medical Emergency and Repatriation Expenses

This section of Your policy explains the cover We provide for medical emergency and repatriation expenses whilst on Your Trip. Words with special meanings are printed in bold type and can be found in the ‘Words with special meanings’ section.

This section provides insurance for emergency medical costs not covered under a reciprocal health agreement between the government of the UK and that of Your country of loss including costs covered by the European Health Insurance Card (EHIC). This is not Private Medical Insurance.

What IS covered:
1. Reasonable and necessary medical and hospital expenses, including the cost of the rescue service to take You to hospital; and
2. Returning You to the UK provided this is authorised by Us or the Medical Assistance Helpline; and
3. Reasonable travel and room only accommodation expenses for a travelling companion or resident in the UK to stay with You and travel Home with You if this is authorised by Us or the Medical Assistance Helpline; and
4. Funeral expenses abroad or the cost of transporting Your body or ashes to Your Home.

We will pay You up to £10,000,000:
- if You go into hospital or require any medical assistance; and/or
- if You have to return Home early or extend Your Trip; or
- for reasonable and necessary funeral expenses abroad; or
- for transporting Your body or ashes back to Your Home.

We will pay You up to £1,000 if:
- You require emergency dental treatment for the immediate relief of pain.
- We will pay You £50 per day (up to a maximum of £1,000) as a:
  - benefit for every complete 24 hour period You are in hospital or confined to Your Trip accommodation.
- We will pay You £10 for every 24 hour period:
  - towards meal expenses for the nominated person who stays/travels with You. Please note We may instruct You to return Home if Our medical advisers and the medical practitioner treating You decide that You are fit to travel.

If You are injured or become ill during Your Trip, our Medical Assistance Helpline:
- may arrange for You to be taken to a hospital; and/or
- may arrange for You to return to the UK at any time.

They will do this if they and the treating doctor think that it is safe for You to be moved or returned to the UK. If You choose not to, Our liability will end on the date it was deemed safe for You to be moved or returned to the UK.

What IS NOT covered:
- the Excess unless You have used Your EHIC or a similar reciprocal health agreement to contribute towards Your cost of treatment.
- any claim as a result of a Pre-Existing Medical Condition that exists either at the time You open the Ultimate Reward Current Account or at the time of booking Your Trip (unless terms were agreed in writing by Us).
- the cost of any treatment or surgery (including exploratory tests) in the UK (except for trips to the Channel Islands, where NHS treatment is not available).

General Terms and Conditions – AA Breakdown Cover
General exclusions
1. AA Breakdown Cover does not provide for:
   a) Any vehicle servicing or re-assembly.
   - For example, where this is required as a result of neglect or unsuccessful work on the vehicle (including, but not limited to, DIY vehicle maintenance), other than that on the part of the AA or its agents;
   b) Garage labour costs.
   - The cost of garage or other labour required to repair Your Vehicle, other than that provided by the AA or its agents at the scene of the Breakdown or accident;
   c) Fuel draining.
   - In the event of the introduction of an inappropriate substance which results in the need to drain or remove fuel, lubricants or other fluids, the only recovery the AA will make available to You will be to arrange for Your Vehicle, the driver and up to 7 passengers to be taken to the AA’s choice of relevant local repairer or another location of Your choice, provided it is no further, but You will have to pay for any work required;
   d) Failure to carry a serviceable spare.
   - Any additional charges resulting from Your failure to carry a legal and serviceable spare wheel or tyre, except where this is not provided as manufacturers’ standard equipment. The AA will endeavour to arrange on Your behalf, but will not pay for, assistance from a third party;
   e) Vehicle storage.
   - Having Your Vehicle stored or guarded in Your absence;
   f) Vehicles on private property.
   - The provision of service when Your Vehicle is on private property, for example, garage premises, unless You can establish that You have the permission of the owner or occupier;
   g) Excess passenger loads.
   - The provision of service to or for any persons in excess of the number of seats fitted in the vehicle at the time of Breakdown, or to anyone who was not travelling in the relevant vehicle at the time of the Breakdown. If there are more people than the maximum allowed, the AA will seek to arrange, but will not pay for, their onward transportation;
   h) Ferry, toll charges etc.
   - Any ferry, toll or congestion charges incurred in connection with Your Vehicle as a result of it being recovered;
   i) Recovering vehicles from trade or auction.
   - The recovery of any vehicles bearing trade plates or which the AA has reason to believe have just been imported or purchased at auction;
   j) Transporting from trade premises.
   - The transportation of immobilised vehicles where the AA considers this to be part of a commercial activity, for example, to, from or for motor dealers or delivery companies;
k) Locksmiths, tyre, glass or bodywork specialists costs.

The cost (including any call-out charge) of any locksmith, glass or tyre specialist should the AA consider this to be required. The AA will endeavour to arrange this help on Your behalf; however, it will not pay for these specialist services and any contract for services provided will be between You and the relevant specialist. If, in the AA’s reasonable opinion, Your Vehicle requires recovery to such a specialist to be mobilised and, to effect that recovery, specialist lifting equipment not normally carried by AA Patrols is required, the AA will arrange the recovery but at Your cost. If use of a locksmith or other specialist would, in the AA’s opinion, mobilise the vehicle, no further service will be available for the Breakdown in question;

l) Specialist lifting equipment.

The cost of any specialist lifting equipment (not normally carried by AA Patrols) including but not limited to:

a) occasions where the Customer has driven off-road, or on clearly sign posted closed roads; and

b) any occasions following an accident;

m) Transporting animals.

The transportation or arrangement of the transportation of any animal (guide dogs or hearing dogs to be transported to the vehicle owner, where the AA will provide transportation unless this is not possible for health and/or safety reasons). The AA will not recover horses or livestock. If the AA does, at its absolute discretion, agree to transport any animal, then this will be at Your own risk. It is Your responsibility to secure any animal being transported or to make alternative arrangements for its transportation;

n) Participation in sporting events.

Assistance for vehicles broken down as a result of taking part in any “Motor Sport Event”, including, without limitation, racing, rallying, trials or time-trials or auto test. However, for the avoidance of doubt, the AA does not consider “occasion of elegance” events, track test days for road legal vehicles or rallies held exclusively on open public highways where participants are required to comply with the normal rules of the road, to be Motor Sports Events.

2. AA Breakdown Cover does not provide for any vehicle recovery following an accident. The AA may, if You request, be prepared to provide recovery following an accident but, if so, You will be responsible for paying the AA’s charges for such assistance (including but not limited to, and not relating to any specialist equipment used). If following an accident, You require one of the Stay Mobile services (and You have Stay Mobile), the AA may, again, be prepared to arrange this for You but will not be responsible for any costs involved. You must pay, on request, any applicable charges. You must give the AA, on request, any relevant information it reasonably requests in regard to all matters referred to in this clause. Please note that, following an accident, or otherwise, it is and remains Your responsibility to ensure that You properly comply with any requirements of Your motor insurer in making a claim under Your motor insurance policy.

General rights to refuse service

Please note: if a customer is refused service by the AA the customer has the right to an explanation in writing (see “Compliments and complaints” page 44 for Customer Care contact details).

3. The AA reserves the right to refuse to provide or arrange Breakdown assistance under the following circumstances:

a) Repeat breakdowns within 28 days.

Where service is requested to deal with the same or similar cause of Breakdown to that which the AA attended within the preceding 28 days. It is Your responsibility to make sure that emergency repairs carried out by the AA are, where appropriate, followed as soon as possible by a permanent repair. Nothing in this provision shall affect any rights You may have in relation to any negligence or breach of contract or breach of any other legal duty on the part of the AA or its agents;

b) Unattended vehicles.

You are not with Your Vehicle at the time of the Breakdown and You are unable to be present at the time assistance arrives;

c) Unsafe, unroadworthy or unlawful vehicles.

i.e. Where in the AA’s opinion, Your Vehicle was, immediately before the relevant Breakdown or accident, dangerous, overloaded, unroadworthy or otherwise unlawful to use on a public road. This includes where breakdown has been caused by the illegal use of or introduction of unlawful substances, such as agricultural (Red) Diesel;

d) Assisting where unsafe or unlawful activities.

Without restricting the generality of the AA’s rights under this provision, please note that it is a legal requirement that UK registered vehicles used on, or recovered with their wheels in contact with, the public highway have a valid current excise licence (‘tax disc’). Where no current excise licence (tax disc) is displayed, and unless the AA are reasonably satisfied that the vehicle concerned is exempt from such display, the AA reserves the right to refuse service;

e) Delay in reporting.

In the AA’s reasonable opinion, there has been an unreasonable delay in reporting the Breakdown;

f) Cannot verify cover.

Where You cannot produce a valid Ultimate Reward Current Account debit card (or appropriate receipt) and some other form of identification. If these cannot be produced, and the AA is unable to verify that the appropriate Breakdown cover entitlement is held, the AA reserves the right to refuse service however if You are unable to prove entitlement to service or You are aware that You do not hold entitlement to an AA service, the AA may, at its discretion, offer service on the immediate payment (by credit, debit or switch card) of the usual premium for the relevant cover required, plus a supplementary premium for joining while already requiring assistance. The premium paid will be fully refunded if it can be established to the AA’s reasonable satisfaction that the relevant level of service entitlement was held at the time of the Breakdown. Any services provided under Stay Mobile must be paid for in advance by You and will be fully refunded if it can be established to the AA’s reasonable satisfaction that entitlement to Stay Mobile was held at the time of the Breakdown. Without prejudice to Your statutory rights, no refunds will be given if entitlement to cover cannot be proved, or simply because Your Vehicle cannot be fixed at the roadside;

g) Unreasonable behaviour.

i.e. Where the AA reasonably considers that You:

i) or anyone accompanying You, or who is receiving or is entitled to receive assistance under the AA service has behaved in a threatening or abusive manner to AA employees, patrols or agents, or to any third party contractor;

ii) have falsely represented that You are entitled to services that You are not entitled to; or

iii) have assisted another person in accessing AA services to which they are not entitled; or

iv) owe the AA money with respect to any services, spare parts or other matters provided by the AA or by a third party on the AA’s instruction

Additional services

4. Any additional services made available by the AA which are not described in these Terms and Conditions are provided on a purely discretionary basis and may be withdrawn at any time.

Use of agents

5. Service from dedicated AA Patrols is subject to availability and may be supplemented by use of appropriate agents. The AA will only accept responsibility for the actions of an agent where the agent is acting on the AA’s instruction.

Requests for assistance

6. All requests for assistance must be made to the AA using the contact instructions provided by Bank of Scotland from time to time. If You contact a garage direct, You will have to settle its bill and the AA will be under no obligation to reimburse You.

Emergency nature of breakdown service

7. AA Patrols are trained and equipped to carry out emergency roadside repairs and are not in a position to comment on the general safety or roadworthiness of a vehicle after a Breakdown or an emergency repair. In addition, completion of an emergency repair cannot be taken to signify or in any way guarantee the general roadworthiness of the vehicle concerned.

Cancellation of Cover

8. You have the right to cancel Your AA Breakdown Cover but please note that as this cover has been provided as an integral part of Your Bank of Scotland Ultimate Reward Current Account no refund is available. Cancellation closure of Your Bank of Scotland Ultimate Reward Current Account will mean that Your rights to service from the AA will cease immediately.

9. The AA shall have the right to cancel any cover if:

a) the AA has been entitled to refuse service under clause 3g, page 41;

b) the AA considers, and as a result of the Customer’s conduct, that there has been a breakdown in its relationship with the Customer;

c) excessive use of the service has occurred either through failure to seek permanent repair following any temporary repair effected by an AA Patrol or agent or due to lack of routine vehicle maintenance.

10. In the event that the AA is no longer Bank of Scotland’s chosen Breakdown assistance cover provider or Breakdown assistance cover is no longer provided with Bank of Scotland Ultimate Reward Current Account, Your Breakdown cover with Automobile Association Developments Limited (trading as AA Breakdown Services) (and, where applicable, Acmas Insurance Company Limited) will expire in accordance with the Terms and Conditions of Your Bank of Scotland Ultimate Reward Current Account and we shall have no further obligation to provide You with Breakdown assistance services.

41
Changes to Terms and Conditions

11. Bank of Scotland and/or the AA is entitled to change any of the Terms and Conditions of cover during the subscription year, on the giving of at least 30 days’ notice, where this is necessary in order to comply with any applicable laws, regulations or the advice or instruction of any regulatory authority.

Matters outside the AA’s reasonable control

12. While the AA seeks to meet the service needs of customers at all times, its resources are finite and this may not always be possible. The AA shall not be liable for service failures where the AA is faced with circumstances outside its reasonable control. Events which might constitute circumstances outside the AA’s reasonable control include (but are not limited to) Acts of God, outbreak of hostilities, riot, civil disturbance, acts of terrorism, acts of government or authority (including the refusal or revocation of any licence or consent), fire, subsidence, explosion, flood, snow, fog or other bad weather conditions, vehicle, equipment or systems failures, shortages of fuel or other necessary supplies, failure of telecommunications lines or systems, default of suppliers or sub-contractors, theft, malicious damage, strike, lock out or industrial action of any kind.

Exclusion of liability for loss of profit etc

13. The AA shall not, in any event, and to the extent permitted by law, have any responsibility for:

a) any increased costs or expenses; or,

b) any loss of:
   i) profit; or
   ii) business; or
   iii) contracts; or
   iv) revenue; or
   v) anticipated savings; or

c) for any special or indirect losses incurred as a result of or in connection with any service, whether resulting from tort (including negligence or breach of statutory duty), from breach of contract or otherwise. For the avoidance of doubt, nothing in this clause or these Terms and Conditions shall exclude or restrict the AA’s liability for negligence resulting in death or personal injury.

Enforcement of Terms and Conditions

14. Failure to enforce or non-reliance on any of these Terms and Conditions by the AA will not prevent the AA from subsequently relying on or enforcing them.

15. None of the Terms and Conditions, or benefits, of the cover agreement with the AA are enforceable by anyone else other than the customer. For the avoidance of doubt, and without limiting the above, any rights under The Contract (Rights of Third Parties) Act 1999, or any replacement or amendment of such act, are excluded.

16. You will not become members of the AA by virtue of only being entitled to any benefits. The AA and the bank may from time to time agree that specified customers may be entitled to certain offers available to AA members.

Use of headings

17. The headings used in this booklet are for convenience only and shall not affect the interpretation of its contents.

Interpretation: use of English law and language

18. Your AA cover and these Terms and Conditions are governed and should be interpreted by the laws of England and Wales. The EEA State for the purpose of cover is the United Kingdom. The Terms and Conditions of cover are written in English and all correspondence entered into shall be in English.

Mobile Phone Insurance

This is your mobile phone insurance policy, in this document you will find everything you need to know. Please read this carefully to make sure this policy is right for you, if you have any questions then visit www.bankofscotland.co.uk or call us on 0345 124 1401. This policy constitutes an agreement between you and the insurer, Assurant General Insurance Limited.

The insurer has appointed Lifestyle Services Group to handle claims and complaints on their behalf. References to ‘we/us/our’ relates to Assurant General Insurance Limited and Lifestyle Services Group Limited. Where the wording refers to claims and complaints, these are handled by Lifestyle Services Group Limited.

Who is this cover designed for?

Your Ultimate Reward Current Account includes cover for one mobile phone for sole Ultimate Reward Current Account holders and up to two phones for joint account holders. To benefit from cover, the mobile phone must be owned by you, and be the responsibility of you, your partner or a dependent child. A dependent child is one who is under the age of 18 or under 24 and in full-time education.

For many of us, our mobile phone is much more than a device for making calls. It means you can stay in contact wherever you are, it stores valuable memories and so much more.

This mobile phone insurance cover is designed for when you have a mobile phone that is not already covered under an insurance policy and you want to cover the cost of repairing or replacing your mobile phone against loss, theft, damage and breakdown subject to an excess payment detailed in the section ‘What you are NOT covered for.’ You should consider this excess when deciding if this policy is suitable for you.

It is important to note that mobile phone insurance is offered on the understanding that you will take care of your mobile phone.

Having insurance does not mean that you can take risks with your mobile phone which you would not take if your mobile phone was not insured as doing so may result in your claim being declined. Further details can be found in the section ‘What you are NOT covered for’.

We do understand that every claim can be quite different and we make every effort to take this into consideration when we review a claim.

In the event that you are billed by your network provider as a result of your mobile phone being used after it has been lost or stolen, we will pay those charges incurred during the period between:

i) the moment the loss or theft occurred and

ii) 24 hours after you discovered it missing

For example, if your phone was stolen at 8am on Tuesday and you discovered it missing at 11am on Wednesday, you would be covered for charges made between 8am Tuesday and 11am Thursday, up to the following cover limits:

- £1,500 for contract handsets
- £500 for Pay As You Go

If your case, screen protector, headphones or bluetooth headset are lost, stolen or damaged at the same time as your mobile phone you are covered for these up to a value of £250 (including VAT).

If we are unable to provide a replacement of a similar specification, we will contact you to discuss an alternative settlement. We do not provide insurance cover for any other mobile phone accessories (For example Smartwatches, fitness trackers, portable speakers).

<td>Excess</td>
<td>You need to pay a contribution of £100 every time you make a successful claim for loss, theft, damage or breakdown. This is the excess. We only cover the mobile phone, we don’t cover the contents. This means that any pictures, software, downloads, apps, music or any other content is not covered by this policy so make sure you back it up regularly. This also means that if any of the data or information stored on your phone is used to access any existing accounts or opening new accounts through fraud, we do not cover any financial losses as a result of these acts.

There are lots of ways to back up the contents of your mobile phone and we suggest you do this regularly so if you lose your mobile phone you can download it on to your new mobile phone and be up and running again in no time.

Taking care of your mobile phone means:
- Not knowingly leaving your mobile phone somewhere it is likely to be lost, stolen or damaged; just think would you leave your wallet or purse there?
- If you need to leave your mobile phone somewhere then we expect you to lock it away out of sight if at all possible. If you cannot lock it away then you must leave it with someone you trust or concealed out of sight in a safe place.
- Making reasonable enquiries to find your phone if you think you have lost it.
- If you knowingly leave your mobile phone where others can see it but you cannot and your mobile phone is then lost or stolen we may not pay your claim.

We will always take into account where you are and what you are doing when we assess whether you have taken care of your phone. If we believe you have not taken care of your mobile phone, and have knowingly taken a risk with it, we may decline your claim.

If you knowingly leave your mobile phone somewhere you can’t see it but others can, we may decline your claim for not taking care of your mobile phone – For example:
- in a cafe or pub you leave your mobile phone on the table when you go to the bar to pick up your drink instead of taking it with you
- leaving your mobile phone on display in your car
- leaving your mobile phone in the care of someone you don’t know well
- if you are at the gym and you leave your mobile phone on a bench in the changing rooms rather than taking it with you or locking it in a locker
- intentionally damaging your phone.

All of these examples increase the risk of it being lost, stolen or damaged and may result in your claim being declined. The examples are to help you understand what’s covered, and are not the only reasons a claim could be rejected.

More than 2 claims per account holder in any 12 month period

We insure your mobile phone for up to 2 successful claims per account holder in any 12 month period.

If you have 2 successful claims in any 12 month period you will not be able to make any further claims for loss, theft, damage & breakdown that happens before the anniversary of when the first claim was originally submitted.

For example if you submit a claim on 1st January which is successful and submit another claim on 1st May in the same year which is successful you will not be able to make any further claims against this policy that happen prior to 1st January of the following year.

Cosmetic damage

We only cover damage if it stops the normal functioning of your mobile phone. If it is just a scratch or dent, and your mobile phone still works as expected, then we will not repair or replace it.

We know scratches and scrapes to your mobile phone aren’t nice but we are here to fix your mobile phone when it isn’t working, so if it still functions as you would expect then we can’t help.

For example, a scratched screen would not be covered but a cracked screen would be covered.

Contents of your mobile phone

We only cover the mobile phone, we don’t cover the contents. This means that any pictures, software, downloads, apps, music or any other content is not covered by this policy so make sure you back it up regularly. This also means that if any of the data or information stored on your phone is used to access any existing accounts or opening new accounts through fraud, we do not cover any financial losses as a result of these acts.

There are lots of ways to back up the contents of your mobile phone and we suggest you do this regularly so if you lose a claim and you lose your mobile phone’s contents as a result you can download it on to your new mobile phone and be up and running again in no time.

Other losses

Any cost or losses that can’t be resolved by the repair or replacement of your mobile phone

We don’t cover any loss or profit, opportunity, goodwill or similar losses. We just cover the mobile phone, unauthorised network charges and accessories as specified in the “Cover you Receive” section.

Any device that is not a mobile phone

This policy is only for mobile phones. This means we only cover handheld devices that are designed to make mobile phone calls and work independently from any other device.

This policy isn’t for tablet computers, smart watches or other wearable technology.

Modifications

If your mobile phone has been modified in any way we will only replace the mobile phone, we do not cover the modifications that have been made.

Modifications are anything that changes the way your mobile phone looks or operates from the original specifications. This includes things like adding gems, precious metals or making software changes such as unlocking your mobile phone from a network.

Mobile phones passed into the care of a business or individual for the purpose of providing a service

Where your mobile phone is passed to a business or individual for them to provide a service, they are solely responsible for the safety of your mobile phone and are not covered under the terms of this policy.

You must therefore be satisfied that your mobile phone is suitably covered for any theft, loss or damage that may occur while in their care. For example:
- Delivery service such as a postal or courier service
- Mobile phone customisation service
- Mobile phone repair service

Losses incurred as a result of the sale of your mobile phone

We do not cover any loss of your mobile phone or any loss of money expected from any transaction, from the sale or trade of your mobile phone. This is because the mobile phone will have been actively passed to an individual or business and, therefore, no loss or theft has taken place.

We therefore recommend you take precautions if you sell your mobile phone, such as;
- waiting for payment (including waiting for cheques to clear) before releasing your mobile phone,
- using a secure payment service,
- not accepting cash payments from people you don’t know (who could be using forged banknotes), and;
- ensuring your mobile phone is sent using a reliable and suitably insured delivery service.

Counterfeit Mobile Phones

We do not cover any mobile phones that are manufactured in a way to resemble mobile phones made by another company in breach of any copyright laws, or devices that are created by using parts from a number of different phones.

Where we receive a claim for any mobile phones that fall into this category we will return the mobile phone to you un repaired and the claim will be declined.
## Actions you will need to take on loss, theft, breakdown or damage to your mobile phone

If you are having difficulty with any of the requirements below, please do not hesitate to contact us.

<tr>
<th>Summary</th>
<th>Description</th>
</tr>
</thead>
</table>
| **Tell your airtime provider if your mobile phone is lost or stolen as soon as you can** | As detailed in ‘The cover you receive’ section, we only pay for unauthorised network charges from the point your mobile phone is lost or stolen for up to 24 hours after you discover the loss or theft.  
If you don’t tell your airtime provider within 24 hours you will be responsible for any further charges.  
If you make a claim for unauthorised network charges you will need to provide either the monthly mobile phone bill showing the charges and the bill for the month prior to the unauthorised network charges or proof of your mobile phone’s balance prior to the theft or loss. |
| **If your mobile phone is lost or stolen report it to the Police** | Tell the Police about any lost or stolen mobile phone as soon as you can, we will ask you to provide the Police reference number before we will pay any claim for theft. If you have difficulty reporting your incident to the police, please contact us and we can help to guide you. |
| **Report any loss or theft to the place you believe it has been lost in or stolen from** | We expect you to report your mobile phone as lost or stolen to the place it was lost or you think it has been stolen from.  
Often mobile phones are found and handed in to the place they were found. We expect you to report the loss or theft of your mobile phone to the place you think it was lost in or is most likely to be handed back to. We may ask you to provide the details of where your handset was lost or stolen from and may ask what actions you have taken to try to recover it.  
If your Mobile Device has the functionality, activate any location finder app or software to help you in retrieving it.  
This may also enable you to lock and wipe the data stored on your mobile device. |
| **Report your claim to us as soon as you can** | Tell us about a claim as soon as you can. We expect you to tell us about any claim as soon as possible after discovery of the loss, theft, breakdown or damage.  
If you don’t do this we will still consider your claim, however it makes it difficult for us to investigate your claim, recover your mobile phone if it is lost or stolen or stop any further damage to your mobile phone.  
You can log your claim online or by telephone, it is really simple. |
| **Proof of ownership** | We need to know that the mobile phone, SIM card and accessories you are claiming for are yours. Therefore you may need to provide some form of proof of ownership.  
You will need to be able to tell us the make and model of your mobile phone. We may ask to see something that tells us that the items you are claiming for belong to you and confirms the make, model, memory size and IMEI number of your mobile phone.  
The IMEI number is the unique serial number for your mobile phone. You can find it by inputting *#06# into your mobile phone. It should also be noted on the documentation that came with your mobile phone when you purchased it. Your airtime provider may also be able to provide it to you.  
Proof of ownership could include a till receipt or documentation from your airtime provider. If you don’t have any proof of ownership we may decline your claim. |
How to make a claim

Step One:
Please make sure you have read the “Actions you will need to take on loss, theft, breakdown or damage to your mobile phone” section as this tells you what we may need from you in order to settle your claim.

Step Two:
You should tell us about your claim as soon as you can, you can do this by contacting us through www.bankofscotland.co.uk or by calling 0345 124 1401.

Step Three:
We will walk you through the simple claims process and tell you what information you will need to provide for us to assess your claim.

Step Four:
You will need to pay your excess for every accepted claim. Your excess can be paid by Visa, MasterCard and debit cards (We do not accept American Express cards or Diners Club cards).

Step Five:
We will either repair your mobile or send you a replacement. In the event of your mobile device being lost or stolen we will blacklist the mobile device to prevent it from being used. When returning any items in order for repair to be carried out, please ensure that you have removed any locking mechanism (e.g. ‘Find my iPhone’) before you send your device to us. If this isn’t removed this will affect the processing of your claim and the handset may be returned to you for the block to be removed before the claim can be assessed. We may not be able to complete a claim until we can confirm the security features have been removed.

What you need to know about the claims process

- Repairs may be made using readily available parts, or we may provide refurbished products which may contain parts, which are of similar or equivalent specification, and which may include unbranded parts. This policy is intended to affect your rights under the applicable manufacturer’s warranty or your statutory rights. - If we are unable to replace your phone with the same make and model, we will contact you to discuss an alternative claim settlement.

Home Emergency

The Insurance Contract

About Your policy wording:

This service provides assistance if You or any member of Your Family have a Home Emergency and You phone the Home Emergency Helpline.

We will arrange to deal with the emergency by choosing a qualified person to come to Your Home and carry out any repairs that are necessary as a result of that Home Emergency.

We want You to get the most from this service and to do this You must read this policy and make sure You are covered for the sort of losses You think might happen and make sure You understand the conditions and exclusions which apply to Your policy. If You do not meet these conditions it may affect any claim You make.

Your policy is renewed on a monthly basis and will end if (i) Your Ultimate Reward Current Account is closed; (ii) You fail to pay the monthly fee for Your account; (iii) Your account is changed to another type of account with Your account provider; (iv) Your account comes under the management of Your account provider’s collections and recoveries department; or (v) Your residential address is no longer in the UK. You have the right to cancel Your policy by giving Us notice that You wish to cancel. We may cancel Your policy or change Your policy wording by giving You 30 days’ notice in writing. Making a claim
1. To obtain emergency assistance call the 24 hour Home Emergency Helpline on 0345 124 1401.
2. Ensure you have the following information to hand:
   - Your name and postcode
   - Your Ultimate Reward Current Account Number and branch Sort Code
   - An indication as to the nature of the problem.

How We settle claims
The most we will pay for any single event is up to £250 (including VAT) towards the cost of the qualified person who we choose to deal with the Home Emergency, in respect of the call-out charge, labour and any materials that are necessary, plus up to £100 towards alternative accommodation.

Policy limits
What is covered:
- A Home Emergency that you or any member of your Family tells us about.
- If your Home becomes uninhabitable and remains so overnight, we will reimburse your accommodation and related transport costs up to a maximum value of £100 provided that you obtain our express agreement in advance of such costs being incurred.
- Unable to repair: If we (our authorised contractors) are unable to repair your boiler/hot water system, we will pay you £250 towards a replacement. This can be claimed on a reimbursement basis within 180 days of attendance. If we are unable to repair your boiler/hot water system and you choose to not replace it, cover under this section will no longer apply.

Parts availability
Availability of parts is an important factor in providing emergency repairs. If our engineer does not carry the spare parts needed on the day of your appointment, we will do all in our power to find and install parts from our approved suppliers. We may use new parts or parts that have been reconditioned by the manufacturer or approved third parties. We may not replace parts on a like for like basis but will provide an alternative suitable for containing the emergency. However, there may be times when replacement parts are delayed because of circumstances beyond our control. In these cases, we will not be able to avoid delays in repair; we will keep you informed throughout your claim. If the emergency repair costs more than £250, we will require you to contribute the difference or subject to our prior agreement and on receipt of your engineer’s fully itemised and paid invoice, we would pay you up to £250 inc. VAT as a contribution to a repair which you will arrange yourself. Please note, the above contribution may be reduced by the costs already reasonably incurred by our authorised contractor, for the initial visit. This will be in full and final settlement of your claim. When we make a repair, we will leave your Home safe and habitable but we will not be responsible for reinstating it to its original condition, although you may find that this is covered under your buildings insurance. There may also be occasions where parts for your boiler/hot water system are no longer available. In these situations, we may not repair your Home or we may arrange you to receive a quotation for a replacement boiler/hot water system at your cost.
