

Branch closure - how we're supporting you

We're now near to the closure of this branch
on 12 January 2026

Bank your way - wherever you are

- Use our mobile app or online banking - it's simple and secure.
- In your community, you'll find cash machines, PayPoint stores, and the Post Office®.
- If you prefer to speak to someone you can call us or visit any branch in our banking family - including Lloyds and Halifax - for the same friendly service. Explore all your options at bankofscotland.co.uk/ways-to-bank

Letting you know about a branch closure

- 1. We assess the impact** Considering how it affects customers and the community, following Financial Conduct Authority guidance.
- 2. We contact you directly** Sending a letter if you regularly use the branch, with details on other ways to bank.
- 3. We share updates in branch** Through posters and face-to-face conversations to explain what's changing and offer support.

Who we spoke to about the closure

We contacted these members of the local community

- The local MP for Coatbridge and Bellshill and the local MSP for Uddingston and Bellshill
- Banking Team and Senior Representatives from the Post Office
- Post Office Area Manager responsible for the nearest three Post Offices to our closing branch
- National Federation of Sub Postmasters
- The local Citizens Advice Bureau
- The local Chamber of Commerce.

The feedback we received

Our regular customers were disappointed that the branch was closing but said they would start to use our Motherwell branch.

We met with Frank McNally MP who raised concerns on behalf of vulnerable customers and expressed his disappointment in relation to the decision. Mr McNally also asked about wider trends in branch usage both locally and at a national level. We explained the trends we are seeing, and discussed the alternative ways of banking and the support we provide.

Michael Shanks MP wrote to us expressing disappointment at the closure citing the distance customers will now need to travel to the closest branch. We responded to explain the changing trends we are seeing, outlined alternatives available and explained how we are supporting customers locally.

What we've done to help make the change smoother

- We've called individual customers we know use the branch as their main way of banking with us. This includes customers that may need extra support. We've let them know about other ways to bank and to provide help if they need it.
- We've partnered with the Digital Helpline who offer free one to one help over the phone to support customers to use the internet for banking. We've given customers with an identified need the contact details they need to access free support.

Our colleagues can help you

- Colleagues at the Bellshill branch have received in-depth training. They can help with a range of customer needs, especially extra support about how we can help you bank.
- Bellshill branch colleagues held a digital support event to help customers register and use online and digital services.

We're here to help and support you
