

## Branch closure feedback — how we responded and supported our customers

**Before we decided to permanently close the North Berwick branch, we carried out a thorough review to understand how our customers and the community would be impacted. We're now near to the closure of this branch, which will close on 2 July 2025.**

Your nearest branches to the North Berwick branch are Haddington branch and Musselburgh High Street branch. You can also use any Bank of Scotland branch to do your banking. Go to [bankofscotland.co.uk/branchfinder](https://bankofscotland.co.uk/branchfinder) for more information.

### Communicating this change to customers

When we announce that a branch is closing, we take a number of factors into account in line with Financial Conduct Authority guidance. We've summarised these in the Branch Review Document, which you can find at [bankofscotland.co.uk/branchfinder/branch-closures](https://bankofscotland.co.uk/branchfinder/branch-closures)

We wrote to customers who use the North Berwick branch, to let them know it would be closing. We explained about the other ways they can continue to do their banking with us.

We displayed a poster in the branch to let customers know it was closing. Our colleagues there spoke to customers about other ways to do their banking. These include using our Mobile Banking app, Internet Banking, calling us, or using the Post Office®. We let customers know the nearest alternative branches, free cash machines, Post Office and that a Community Banker would be at the Banking Hub one day a week.

### We contacted members of the local community

Who we contacted to understand the impact of the branch closure

- The local MP for East Lothian and the constituency MSP for East Lothian
- Banking Team and Senior Representatives from the Post Office
- Post Office Area Manager responsible for nearest three Post Offices to our closing branch
- National Federation of Sub Postmasters
- Haddington Citizens Advice Bureau
- Midlothian & East Lothian Chamber of Commerce.

The feedback we received

- A number of customers were disappointed with the decision to close the branch. We explained about the alternative local banking services available.
- Paul McLennan MSP wrote to us asking to meet to discuss Banking Hubs. We responded to confirm that we would be happy to meet.
- We met with Craig Hoy MSP to discuss the closure, we spoke about alternative methods of banking available and support for our vulnerable customers.
- A local councillor wrote to us to express their disappointment that as a customer, they had not been advised of the decision to close the branch. We responded to confirm that customers are being contacted and to outline alternative methods of banking available.
- Douglas Alexander MP wrote to us on behalf of customers affected by the closure and asked us to reconsider our decision. We responded explaining the range of alternative facilities that will be available after the closure, including via the Post Office.

What we've done to help make the change smoother

- We've called individual customers we know use the branch as their main way of banking with us, including customers that may need extra support, to talk to them about alternative ways to bank and to provide help if they need it.

- We've partnered with the Digital Helpline who offer free one to one guidance over the phone to support customers to use the internet for banking. Customers with an identified need for this service have been provided with contact details enabling them to get free support.
- Our colleagues at North Berwick branch have been given the training they need to have in-depth conversations with our customers, especially those who may need extra support, about how we can help them.
