

Mobile Branch Service Closure Review (Part 1) – Forfar route

Following an in-depth review, we'll no longer be offering a Mobile Branch service in this area by 31 May 2024

Background and decision

We've been looking at how customers are using our Mobile Branches. Many are using them less and choosing other ways to bank instead. Because of this we've made the decision to end this service. This includes all the stops on this route.

What this means for you

We're still here to support you and there's a number of ways you can do your everyday banking with us - online, on your mobile, over the phone or at a Post Office®. You can also use a branch. Read on to find out more, and for a summary of our review. Following engagement with the local community, an overview of feedback we receive will be given in our Mobile Branch Service Closure Review Part 2.

These are the facilities that are available on this Mobile Branch

- ✓ Cash & cheque services
- ✓ Steps or lift access
- ✗ Cash machine
- ✗ Self Service facilities
- ✓ Account enquiries & servicing
- ✗ Account opening

Mobile Branch Route stops

The Mobile Branch will continue to visit the following stops fortnightly until the service ends on the dates shown below. For a full timetable, please ask a Mobile Branch member of staff or visit bankofscotland.co.uk/mobilebranches

Name of stop	Location & Postcode	Date of last visit to stop
Kirriemuir	29 Roods, Kirriemuir, DD8 4HN	24 May 2024

How we made our decision

When we close a Mobile Branch, we complete a detailed impact analysis which includes:

- How customers are choosing to bank with us
- How often customers use the Mobile Branch and how that usage is changing
- Current services available in the Mobile Branch and the Mobile Branch opening hours
- Assessment and check of alternative ways to bank including their proximity and accessibility - this is confirmed by a visit
- Assessment of public transport, availability and frequency
- Assessment of Broadband availability
- Impact on our customers including those who are vulnerable or may need additional support
