- a. subscribe to your **Bank of Scotland ShareBuilder account** ("**scheduled subscriptions**"); and
 - b. purchase **investments** within your **Bank of Scotland ShareBuilder account** ("**planned purchases**"), on a specified day or series of days each month.
- 4.3 You can also purchase whole **investments** (but not fractions of **investments**) on an ad-hoc basis (a "**real-time purchase**") within your **Bank of Scotland ShareBuilder account** where you have tradable funds available in your **Bank of Scotland ShareBuilder account** to do so.

- 4.7 Where you subscribe by Direct Debit, we usually start the debiting process at least two working days before the **subscription day**. We will not give you any additional notice of this each month.

- 4.12 We will start the relevant deal on the **investment day** set out in your **investment plan**, or if that day is not a **working day**, on the next **working day**. If for any reason we are unable to purchase the **investments** on the **investment day** we will do so as soon as practical afterwards.
- 4.13 If we think it appropriate (for example, because of market conditions), we can delay an **investment day** until such time as we think it is appropriate for us to deal on your behalf. If we delay an **investment day**, this will be disclosed on the **website**.
- 4.14 You can change your instructions to make a planned purchase at any time before the **investment day** on which the **planned purchase** is due to take place.

Dividend Reinvestment Plan (DRIP)

- 4.15 We will not invest amounts of less than £1 in respect of any dividend reinvestment instructions on your **Bank of Scotland ShareBuilder account**. Such amounts will be deposited in cash into your **Bank of Scotland ShareBuilder account**.

Real-time purchases

- 4.16 You can make a **real-time purchase** by giving us an order to purchase **investments** which is separate from your **investment plan**, provided that you have available funds available for that purchase. We will allocate the **investments** to your **Bank of Scotland ShareBuilder account** as soon as we have completed the deal.

Available investments

- 4.17 The types of **investments** that you can deal in using your **Bank of Scotland ShareBuilder account** may be less extensive than for other **accounts** offered by us. The **investments** which are eligible for the **Bank of Scotland ShareBuilder service** can be identified from within the secure area of the **website**.
- 4.18 If, as a result of a corporate action, we receive **investments** which are not eligible within a **Bank of Scotland ShareBuilder account**, we will transfer the **investments** directly to your Bank of Scotland Share Dealing Account.

Tradable funds

- 4.19 Unlike other Share Dealing **accounts**, sale proceeds will not become tradable funds until the settlement date.
- 4.20 It is your responsibility to ensure that there are tradable funds available to us before the commencement of each **investment day** for a **planned purchase** and before we carry out your

order for a **real-time purchase**. If tradable funds are insufficient to cover the whole amount of a **planned purchase(s)** or a **real-time purchase(s)**, we will not carry out any part of the **planned purchase(s)** or **real-time purchase(s)**. This will not affect subsequent **planned purchases** or **real-time purchases**.

Selling investments

4.21 If you want to sell all or some of your **investments**, you can give us an order to do so via the **online service** in accordance with the **Share Dealing terms and conditions**. You must tell us the number or value of the **investments** or fractions of **investments** that you want to sell.

4.22 The proceeds from the sale of **investments** will be paid into your **Bank of Scotland ShareBuilder account**.

Fractional entitlements

4.23 When we carry out a **planned purchase**, we will, once we know the price of **investments** to be bought, calculate (to six decimal places) the number of **investments** to be allocated to your **Bank of Scotland ShareBuilder account** and will allocate them to you as soon as reasonably practicable after we have completed the deal. This will result in us holding fractions of **investments** for you.

4.24 We will facilitate deals involving fractions of **investments** by either buying from you or selling to you those fractions of **investments** as principal.

4.25 When selling a fractional holding in an **investment** on your behalf, we will sell a whole **investment** and you will receive the proceeds (less any charges or other money that you owe us) relating to the part of the **investment** held on your behalf.

4.26 Orders for a **real-time purchase** will only be accepted by us for a whole number of **investments**, and not for fractions of **investments**.

4.27 In relation to your **Bank of Scotland ShareBuilder account**, Condition 12.9 of the **Share Dealing terms and conditions** does not apply. We will hold fractional entitlements for you, rather than disposing of them.

Withdrawing or transferring investments

4.28 You may ask to withdraw or transfer your **investments** or client money from your **Bank of Scotland ShareBuilder account** at any time in accordance with the **Share Dealing terms and conditions**, except that fractions of **investments** cannot be transferred and will need to be sold and withdrawn or transferred as cash.

Separate account

4.29 The **Bank of Scotland ShareBuilder account** is provided separately from any other share dealing **services** that we may offer. The facility to combine or offset payments relating to different **services** is therefore not available to you.
